

CURRICULUM VITAE

ROSA MARIA POLLASTRO born in MONTESARCHIO (BN) on 26.10.58

- From November 2002: Tenure Researcher in the Division of Nephrology of the University of Naples L. Vanvitelli
- 04.24.1998: Medical assistant in the Adult and Child Nephrology Division of the Second University of Naples
- November-December 1997: attendance at the Kidney Transplant Center of the University of Milan.
- From 27.11.95 to 26.01.96 frequency of the Department of Urology and Nephrology of Middlesex Hospital in London to learn histological techniques and various procedures applied to renal biopsy with interpretation of the same
- From 12.10.1992: medical assistant in the Nephrology of Adult and Child of the Second University of Naples.
- From 13.07.1992: assistant researcher at the Adult and Child Nephrology of the Second University of Naples.
- From 07.08.90 to 12.07.1992: assistant researcher at the Institute of Internal Medicine and Nephrology of the I Faculty of Medicine and Surgery of the University of Naples.
- From 04.04.90 to 06.08.1990: medical assistant at the Service of Nephrology and Dialysis of the Hospital of Vimercate (MI).

TEACHING ACTIVITY

- From January 2003: Lecturer in the Nephrology Course for the students of the Degree in Medicine and Surgery of Naples
- February 2001: Lecturer at the Master of High Professional Training in Nephrological Sciences Second University of Naples
- From January 2000: Lecturer at the School of Specialization in Nephrology at the Second University of Medicine and Surgery of Naples.
- From March '92: exercises of Nephrology and member of the examination committee of the integrated course of Diseases of the Kidney and Urinary Tract to students of the Degree in Medicine and Surgery, Second University of Naples.
- From the academic year 1991-92 to 2000: Lecturer in the Specialization Course in Pediatric Nephrology, Chair of Pediatric Nephrology, Second University of Naples.
- May '89 and '90: Exercises in microscopic anatomy at the Institute of Normal Human Anatomy of the University of Milan.

EDUCATION AND TRAINING

December 2005: Diploma of PhD in Nephrological Sciences.

- 05.07.89: specialization in Medical Nephrology with 70/70 grade and honors at the II Faculty of Medicine and Surgery of Naples.
- Session of the year 1985: qualification for the professional exercise of Doctor-Surgeon and enrollment in the Order of Doctors of Benevento.

- 05.11.85: degree in Medicine and Surgery at the II Faculty of the University of Naples with a score of 110/110

Participation in national and international conferences.

Participation in the drafting of chapters of books and national monographs.

Participation in works with publications in international and national journals.

PUBLICATIONS ON INTERNATIONAL MAGAZINES REVIEWED FROM THE JOURNAL CITATION REPORT
