

Luigi Santini

born 4 October 1950 in Naples (Italy)
resident in Via Marcantonio 41, Naples (NA)
phone: +390815936144 mobile: +39337856380
e-mail: luigi.santini@unina2.it

EDUCATION

Degree in `Medicine and Surgery` at the Medicine University of the study of Naples – Federico II; specialized with honors in 1981 in `General Surgery`. In 1979 appointed ordinary assistant in Pediatric Surgery of the I University of Naples, directed by prof. Gianpaolo Fioretti and than, in 1982 ordinary assistant of Semeiotic Surgery directed by prof Antonio Caracò.

FOREIGN LANGUAGES

English: Very Good knowledge of reading and writing language and very good understanding and spoken production.

PROFESSIONAL EXPERIENCE

On the July 2000 won the competition for the role of Ordinary Professor for the disciplinary sector FO8A; From November 2000, appointed Director of the General and Oncological service of the Second University of the study of Naples, referral center for endocrine surgery, especially for thyroidal pathology.

First operator over 10000 open surgery procedures and 2000 laparoscopic procedures with great experience in endocrine-surgery (thyroid cancer, multinodular goiter, parathyroid pathology, pancreatic cancer, neuroendocrine tumors – NET, pheochromocytoma and adrenal adenomas), colorectal surgery (colon-rectum cancer, anus cancer, hemorrhoidal prolapse, diverticulitis), abdominal surgery (cholelithiasis, hepatocarcinoma, splenomegaly), abdominal wall surgery (inguinal and incisional hernia)

Regional delegate of the italian society of endocrinesurgery (SIEC) in Campania.

TEACHING:

"LESSONS OF SURGICAL PROCTOLOGY"

FROM 1984 TO 1991

"LESSON OF ENDOCRINOSURGERY"

FROM 1991 UNTIL TODAY

"LESSON OF GENERAL SURGERY"

FROM 97-98 UNTIL TODAY

EDUCAZIONE

Laureato in `Medicina e Chirurgia` presso la I Facoltà di Medicina e Chirurgia dell'Università degli Studi di Napoli, si è specializzato nel 1981 in `Chirurgia Generale` con il massimo dei voti. Nel 1979 nominato assistente ordinario di ruolo statale presso la Cattedra di Chirurgia Pediatrica della I Facoltà, diretta dal prof. Gianpaolo Fioretti e, poi, presso la Cattedra di Semeiotica Chirurgica diretta dal prof Antonio Caracò; nell'ottobre del 1982 è stato nominato aiuto ordinario universitario nello stesso Istituto.

LINGUE STRANIERE

English: Very Good knowledge of reading and writing language and very good understanding and spoken production.

PROFESSIONAL EXPERIENCE

Nel luglio 2000 ha vinto il Concorso per Professore di Prima Fascia per il settore disciplinare FO8A; nell'ottobre dello stesso anno è stato chiamato alla Facoltà di Medicina e Chirurgia della SUN in qualità di Professore Ordinario; da novembre 2000 è Direttore del Servizio di Chirurgia Generale ed Oncologica della Facoltà di medicina e Chirurgia della Seconda Università degli Studi di Napoli, centro di riferimento nazionale per le patologie Tiroidee. Componente del tavolo permanente del protocollo d'intesa tra la Regione Campania e la Seconda Università di Napoli. Componente del tavolo tecnico per la rete assistenziale regionale per la patologia tiroidea. Delegato del Rettore della SUN nel 2012 - Prof. F. Rossi - alla cura dei rapporti con la Regione. Rappresentante del comitato regionale della lega italiana per la lotta contro i tumori (LILT). Delegato regionale della società italiana di endocrinocirurgia in Campania.

Primo operatore in oltre 10000 interventi open ed in 2000 laparoscopici, con grande esperienza in chirurgia endocina (cancro della tiroide, gozzo multinodulare, patologie paratiroidi, cancro del pancreas, tumori neuroendocrini – NET, feocromocitomi e adenoma surrenalici), chirurgia colo-rettale (cancro colon-retto, cancro dell'ano, prollasso emorroidario, diverticolite), chirurgia addominale (colecistiti, epatocarcinoma, splenomegalia), chirurgia della parete addominale (ernia inguinale e laparocoele)

Regional delegate of the italian society of endocrinesurgery (SIEC) in Campania.

INSEGNAMENTI:

"LEZIONI DI PROCTOLOGIA CHIRURGICA"
