

Curriculum vitae Dr. Angela Sparago

Present position

Assistant professor of Genetics, Department of Environmental, Biological and Pharmaceutical Sciences and Technologies (DiSTABiF), University of Campania "Luigi Vanvitelli".

Academic qualifications

Master Degree magna cum laude in Biological Sciences, University "Federico II" of Naples (2002)

Ph.D. in Biotechnology, Second University of Naples, now called University of Campania "Luigi Vanvitelli" (2006)

National Academic Qualification as associate professor in Genetics (2017)

National Academic Qualification as associate professor in Medical Genetics (2017)

Assistant professor of Genetics, DiSTABiF, University of Campania "Luigi Vanvitelli" (2018)

Teaching appointments

Dr. Sparago has been lecturer of Epigenetics, University "Federico II" of Naples (PON01_02460 - 2015). Since 2018, Dr. Sparago is lecturer of Genetics (bachelor degree in Environmental Sciences), DiSTABiF, University of Campania "Luigi Vanvitelli".

Research activity

Alternatively carried out between the Second University of Naples (now called University of Campania "Luigi Vanvitelli") and the Institute of Genetics and Biophysics "Adriano Buzzati Traverso" - CNR of Naples, the scientific activity of Dr. Angela Sparago regards the study of pathogenetic mechanisms responsible for imprinting disorders, diseases caused by alteration of the correct physiological dosage of genes regulated by genomic imprinting. Dr. Sparago has been visiting scientist in 2003 at the Babraham Institute, Cambridge, UK, and in 2015 at the San Raffaele Scientific Institute in Milan. She has been part of several national and international research projects (MIUR, AIRC, Telethon). She has been reviewer for several international peer-reviewed journals. Winner of two awards: honorable mention for doctoral thesis, Italian Society of Genetics/Zanichelli (2007); Bioeconomy Rome Prize concerning the scientific excellence of young Italian researchers for studies in the field of rare diseases (2012). Dr. Sparago is co-author of 27 publications in international indexed journals (*h-index* 17). She also has several communications at national and international scientific meetings.
