### Personal skills and competences

Mother tongue Italian

Other language English

Self-assessment	Understanding		Speaking		Writing
<i>European level</i>	Listening	Reading	Spoken interaction	Spoken production	
	A1	A2	A1	A2	A2

**Social skills and competences** Working before as an head nurse in the gastroenterology and digestive endoscopy unit and as an University lecturer, I was able to develop the attitude to both frontal (lessons and seminars) and tutorial (attendance at clinics by students and trainees) teaching. I developed the ability to deal with the colleagues both in national congresses, and in updating courses. I am used to attending multicultural environments, and to live and work together with colleagues, holding positions where communication is important. Furthermore I reached a high competence in sectors where the team work is key.

**Organisational skills and competences** Organizer of conferences, congresses and professional refresher courses

**Computer skills and competences** Good knowledge of windows and its main knowledge of standard Microsoft Office software acquired first by attending updating courses and then by the daily practice.

**Artistic skills and competences** Fond of theater, classical music and opera.  
Keen on travels

**Driving licence** Italian driving license category b

### Academic commitments

**Trainer/Teacher/Tutor** Training teacher animator in Nursing and Obstetrics Sciences  
Researcher for pharmacological testing  
Tutor for students in Nursing and Obstetrics Sciences
