

ALFONSO PAPPARELLA "CURRICULUM VITAE"

ALFONSO PAPPARELLA was born in Naples on December 26, 1958

He has resided in Naples since birth. He is married, has two children.

TITLES AND ASSIGNMENTS

Education and training

- He obtained his classical high school diploma at the IACOPO SANNAZARO high school with a score of 60/60 (1977)
- Degree in Medicine and Surgery laude (23/07/1983) discussion of the thesis The surgical complications of ascariidiosis
- Qualification to practice medicine December 1983
- Specialization in Pediatric Surgery University of Naples Federico II ; I facoltà di Medicina e Chirurgia con Lode (1988) " discussion of the thesis " La melena e l'ematochezia nell'infanzia : difficoltà diagnostiche "
- Specialization in Surgery of the Digestive System and Digestive Endoscopy I Faculty of Medicine and Surgery " thesis discussion " Surgical therapy of the Agangliar Megacolon with Honors (1993)
- N.A.T.O.- C.N.R. ADVANCED FELLOWSHIP IN PROGRAM" winner of the National Research Council scholarship competition at the Brown University Program in Medicine, Division of Pediatric Surgery, Providence, R.I., U.S.A., 1989-90 from 01-11-1989 to 30-11-1990

Formal assignment of teaching or research assignments (fellowship) at qualified foreign or supranational universities and research institutes

- School of Specialization in Pediatric Surgery of the University of Naples Federico II First Polyclinic – Teaching activity integrative to the course of "Pediatric Surgical Technique" and "Pediatric Surgical Clinic" academic years 1988/89-1989/90-1990/91

- " RESEARCH FELLOW" Brown University Program in Medicine, Division of Pediatric Surgery, Providence R.I., U.S.A., 1989-1990. 01-11-1989 al 30-11-1990
- "RESEARCH FELLOW" Rhode Island Hospital, Division of Pediatric Perinatal Cardiovascular Research, Providence R.I., U.S.A., 1990. dal 01-03-1990 al 30-11-1990
- School of Specialization of the University of Naples Federico II First Polyclinic contract teaching of Pediatric Surgical Gastroenterology from the academic year 1991-1992 to the year 1993-94 Second University of Naples from 01-11-1991 to 01-11-1994
- School of Specialization of Pediatric Surgery of the University of Naples Federico II First Polyclinic – teaching of Pediatric Surgery from the academic year 1991-1992 to the year 2015-2016 - University of Naples – Luigi Vanvitelli
- Second University of Naples - School of Obstetrics of Salerno Teaching Assignment of Urology Academic year 1993/94, 1994/95
- School of Specialization in Pediatric Surgery of the Second University of Naples – practical technical course of "Operative Strumentistica" Teaching activity complementary to the course of the III year of Pediatric Surgery for the three-year period 1994/1997
- By resolution of the Faculty Council of the Second University of Naples of 28/11/1991 and of the Rector prot. N. 3778 of 2/07/1993 declared "Cultore della disciplina Chirurgia Pediatrica" for the three-year period 1992-1995 and 1995-1998
- School of Specialization of Endocrinology and Diseases of the Replacement - Teaching of Andrology of the developmental age - from the year 2000/2001 to the academic year 2011-12 , University of Naples - Luigi Vanvitelli.
- Eligibility of Associate Professor, competition published in the Official Gazette n.75 on 21/9/1999, disciplinary sector F08C (6/6/2000) of the University of Bologna
- Winner of a competition for a post of University Researcher (Law 4/99) – sept. Disc. F08C (6/12/2000) and appointment as confirmed researcher (16/1/2001).
- Associate Professor of Pediatric Surgery at the University of Naples "Luigi Vanvitelli" from 24 July 2001 to November 2020.
- Full Professor of Pediatric Surgery at the University of Naples "Luigi Vanvitelli" from 1 November 2020 to date.
- Department of Experimental Medicine. Single-cycle Master's Degree in Medicine and Surgery (Naples Office) Integrated Course of Pediatrics And Pediatric Surgery (Integrated

Course) Teaching Holder Pediatric Surgery University of Naples – Luigi Vanvitelli from the academic year 2002/03 to date

- Teaching Holder of Pediatric Surgery in the C.D.L. of obstetrics from the year 2003-04 to date as part of the integrated course of "Prenatal pathology and malformations" University of Naples – Luigi Vanvitelli Degree course in Obstetrics (Enabling the Health Profession of Midwife / O) C.I. The Pathology Of Childbirth And Puerperium (Integrated Course)- Pediatric and Child Surgery Obstetric-Gynecological Nursing Sciences (Course Manager) from 01-11-2003 to today
- Teaching Holder of Pediatric Surgery from the academic year 2003-2004 to date in the C.D.L. of Nursing Pediatric University of Naples – Luigi Vanvitelli: Department of Woman, Child And General And Specialist Surgery: Degree Course In Pediatric Nursing (Enabling the Health Profession Of Pediatric Nurse) C.I. Nursing In Emergencies And In Critical Area (Course Integrato) Pediatric Surgery 3 –(Course Coordinator) from 01-11-2003 to today
- Teaching Holder of Pediatric Surgery from the academic year 2003-2004 to date in the C.D.L. of pediatric nursing University of Naples – Luigi Vanvitelli: Department of Woman, Child And General And Specialized Surgery Degree Course In Pediatric Nursing (Enabling the Health Profession of Pediatric Nurse) C.I. Nursing In Ped. Spec. (Integrated Course) - Pediatric Surgery 2 (Course Coordinator) from 01-11-2003 to today
- Teaching of Pediatric Surgery from the academic year 2003-2004 to date in the C.D.L. of Pediatric Nursing University of Naples – Luigi Vanvitelli: Department of Woman, Child And General And Specialized Surgery Degree Course In Pediatric Nursing (Enabling the Health Profession of Pediatric Nurse)- C.I. Nursing In General And Specialized Surgery (Integrated Course) :Pediatric Surgery 1 (Course Coordinator) from 01-11- 2003 to present
- School of Specialization of Pediatric Surgery – teaching of "Prenatal diagnostics of malformations" from the academic year 2003-2004 to the year 2004-2005 Second University of Naples
- Confirmation of the role of Associate Professor 16 March 2005 University of Naples "Luigi Vanvitelli" from 16-03-2005 to today
- Member of the Board of Professors of the PhD Course of Pediatric Gastroenterology with administrative headquarters at the University of Parma from XXI to XXV cycle from the academic year 2005/06 to the academic year 2010/2011.

- Lecturer of the Master of "Minimally Invasive Surgery and Pediatric Robotics" at the University of Bologna, Faculty of Medicine and Surgery, from the academic year 2007/08 to today
- With Rector's Decree no. 550 of 07/09/2016 he was appointed Coordinator of the School of Specialization in Pediatric Surgery based at the University of Campania Luigi Vanvitelli starting from the academic year 2014/2015 to the year 2018-2019 old system
- School of Specialization of Pediatrics of the University "Luigi Vanvitelli" - Teaching of Pediatric Surgery from the Academic Year 2014-15 to today
- Department of Precision Medicine - Single Cycle Master's Degree Course in Medicine and Surgery in English - Medicine And Surgery In English - Pediatric Teaching - Course Coordinator - University of Naples - Luigi Vanvitelli from the academic year 2016-17 to date
- Lecturer of the Master of "Pediatric Urology" at the University of Bologna Faculty of Medicine and Surgery from the academic year 2017/2018 to date. from 01-11-2017 to today
- With Rector's Decree n.917 of 8/11/2018 he was appointed for the academic three-year period 2018/2019 to 2021/2022 President of the Degree Course of Pediatric Nursing based at the Department of Women, Child, General and Specialist Surgery of the University of Campania Luigi Vanvitelli. from 08-11-2018 to date
- From the year 2018-2019 to date member of the Organizing Committee of the School of Specialization of Pediatric Surgery of the University of Naples Federico II
- As part of his teaching activity he has been tutor and supervisor of about 50 degree theses both in the Degree course of Medicine and in that of Pediatric Nursing
- President of the Master "Family and Community Nurses in Child and Adolescent" Academic year 2021-2022

Scientific responsibility for international and national research projects, admitted to funding on the basis of competitive calls for peer review

- Principal Investigator: Brown University Program in Medicine, Division of Pediatric Surgery, R.I., U.S.A., 1989-1990. " Role of oxygen free radicals in intestinal ischemic reperfusion damage in newborn piglets ". Experimental protocol on the pathophysiology of "Necrotizing

Enterocolitis". Communication selected at the congress of the "American Academy of Pediatrics", New Orleans (USA) April 29 -May 2, 1991 "Pediatric Research Volume 29, number 4 /part2/ april 1991" and "Pediatr Res. 1997 Aug;42(2):180-8 Ischemia-reperfusion injury in the intestines of newborn pigs. Papparella A, DeLuca FG, Oyer CE, Pinar H, Stonestreet BS.

- Investigator : Rhode Island Hospital, Division of Pediatric Perinatal Cardiovascular Research, R.I., U.S.A., from 01/03/1990 to 30/11/1990 . Experimental protocol of surgery and fetal metabolism with Grant of N.H.I. . "Effect of anemia in hyperinsulinemic ovine fetus. A. Papparella , D.J. Berard and B.S. Stonestreet Am. J.Physiol, vol.29 n.4 part.2, Pg. 48, Apr.1991 . B.S.Stonestreet, L.D.Nadeau, A.Papparella, D.J.Berard. Alpha - Adrenergic blockade in the hyperinsulinemic sheep fetus. Ped.Res., vol.31 n.4 part.2 Apr.1992 pg.240. Funded by the National Institute of Child Health and Human Development Grant P50HD -11343. from 01-03-1990 to 30-11-1990
- Co-Investigator : He participated as a member of the research group in the following projects "Murst 60%": year 1991, 92, 93, 94, 95, 97" of the Pediatric Surgery of the Second University of Naples directed by Prof. Gian Paolo Fioretti from 01-01-1991 to 31-12-1997
- Coordinatore nella Società Italiana di Videochirurgia Infantile (S.I.V.I.) di studio multicentrico con altre sedi Universitarie e Ospedaliere "Laparoscopic management of non-palpable testis: a multicenter study of the Italian Society of Video Surgery in Infancy". Papparella A, Parmeggiani P, Cobellis G, Mastroianni L, Stranieri G, Pappalepore N, Mattioli G, Esposito C, Lima M. J Pediatr Surg. 2005 Apr;40(4):696-700.
- "Principal and co-investigator" International Project with the Pediatric Urology of brown University Alpert Medical School "Hasbro Children's Hospital with a multi-disciplinary program on the results of the "Laparoscopic Fowler Stephens Intervention for the Intra-Abdominal Testicle" presented at the Joint Congress of the Italian Society of Pediatric Urology Catania 24-27 September 2008.
- Co-Investigator : Prin- 2010-11 Research Program - Co-funded Project : "Tumor, stem/progenitor cells and tumor microenvironment: new therapeutic targets" Scientific Coordinator Prof. Sebastiano Andò – Scientific Director Prof. Antonio Agostino Sinisi Effective 01/02/2013 deadline 01/02/2016

- Owner and manager of University Projects funded by the University of Campania "Luigi Vanvitelli" Department of "Woman, Child, General and Specialist Surgery" entitled "Laparoscopy: local and systemic impact of pneumoperitoneum" year 2014
- Owner and manager of University Projects funded by the University of Campania "Luigi Vanvitelli" department of "Woman, Child, General and Specialist Surgery" entitled "Action of cytokines, neoangiogenesis and immunophenotyping of peritoneal inflammatory infiltrate after laparoscopy" year 2015
- As part of the scientific activities of the section of "Minimally invasive surgery and pediatric robotics" of the Italian Society of Pediatric Surgery, he promoted a multicenter research project entitled "Local and systemic modifications after pneumo-peritoneum" approved by the ethics committee of the University of Campania "Luigi Vanvitelli" on 4/3/2020

ASSITENENTIAL CLINICAL ACTIVITY

- Professional external collaborator at the Pediatric Surgery of the First Polyclinic University of Naples Federico II from 30 December 1983 to 1988 with the duties of medical assistant
- He attended to acquire scientific and health knowledge in the field of pediatric surgical intensive care, from 2 to 14/7/1984, the Pediatric Surgical Clinic of the University of Bologna.
- Assistant of Pediatric Surgery following Public Competition 16/7/1988 to 20/12/1988 at the P.S. Santobono Hospital, Naples
- Graduate Technical Officer for the research sector in neonatal surgery with adjoining intensive care starting at the Division of Pediatric Surgery – Department of Pediatrics of the Federico II University and Second University of Naples with the duties of Full-Time Medical Assistant at the Pediatric Surgery of the Second University of Naples from 21/12/1988 to 28/2/1991 and Full-time Medical Assistant from 1/3/1991 to 31/12/1994
- Full-time Medical Assistant at the Pediatric Surgery of the Second University of Naples since 31/12/1994 and then First Level Medical Director at the Pediatric Surgery University Hospital of Naples – Second University of Naples – University of Campania "Luigi Vanvitelli" to date

- Stage of Pediatric Digestive Endoscopy diagnostic and operative at the gastroenterology and digestive endoscopy service of the Poli Institute chair of Pediatrics of the University of Parma January-December 1994.
- Specialist recognized by the European Board in Pediatric Surgery, U.E.M.S. since January 1997.
- Member of the study group of the Italian Society of Pediatric Surgery and Pediatric Gastroenterology for "the guidelines for the surgical therapy of chronic inflammatory diseases. Rivista Italiana di Pediatria : Volume 24 :6 ,1099-1104 ,1998
- . Internship in Pediatric Laparoscopic Surgery at the Pediatric Surgery "Fondation Lenval" Children's Hospital of Nice France, from 25/10 to 1/11/1999.
- Member of the working group of the Italian Society of Pediatric Surgery "Review of the classification of pediatric and neonatological patients and the related relative weights used in the S.S.N. bill" in the year 2001-2002. "Proposal for the revision of paediatric and neonatal DRGs" Quaderni di Pediatria 2002-3 pag.178-193
- He attended by invitation as Visiting Professor from 23 March to 29/3/2003 the Department of Pediatric Surgery at the Wilhelmina Children's Hospital, University Medical Center of Utrecht- Belgium to deepen the assistance and treatment of children and the application of endoscopic surgery.

- Member of the Working Group of the Italian Society of Pediatric Surgery for the revision of DRGs at risk of inappropriateness year 2019
- As a level I manager he regularly covers the shifts of outpatient clinic, availability, operating room and specialist consultancy within the Polyclinic of the University of Campania Luigi Vanvitelli of Naples.
- Prof. . Papparella has participated significantly in the surgical activity of the Institute of Pediatric Surgery, also as an executor of Special Techniques such as diagnostic and operative Laparoscopy, Esophagus – Gastro – Duodenoscopies, Rectum – Sigmoid – colonoscopy and has participated in about 5000 surgical procedures as first and second operator

- From 1 January 2014 to 2019 he participated in 1140 diagnostic and operational procedures of which 1115 as first operator
- From 21/12/2009 to 28/2/2013 he participated in 757 surgical procedures of which 661 as first operator and 96 as second
- From 12/83 to 9/99 he participated in about 820 surgical procedures of which 485 as first operator.
- The type of surgical interventions concerned for 50% the urogenital apparatus with the implementation of laparoscopic techniques and in particular the non-palpable testicle and the intra-abdominal one; For 35 % the abdominal district and for the remaining all the other organs and systems.
- From 1 November 2020 he is head of the Pediatric Surgery Operating Unit of the University of Campania "Luigi Vanvitelli"

Achievement of prizes and awards for scientific activity, including affiliation with academies of recognized prestige in the sector

- Member of the Italian Society of Pediatric Surgery from 1987 to today
- Elected Director of the Italian Society of Pediatric Surgery Biennium 1998-2000
- Treasurer of the Italian Society of Pediatric Surgery from 2002 to 2012
- Founding member of the Italian Society of Child Video-Surgery 1995
- Expert for the continuous training of health workers years 2006-2008-2009 for the Ministry of Health for the Profession of Surgeon
- "BAPES Travelling Fellowship prize" "British association of Pediatric Endoscopic Surgeon" premio come migliore comunicazione Istanbul /Turkey 10 Ottobre 2007
- Expert ASSESSOR PRIN 2012 for the Ministry of Education, University and Research
- Elected Director of the Italian Society of Pediatric Surgery Biennium 2016-2018 from 01-11-2016 to 01-11-2018

- Coordinator of the Section of Robotic and Minimally Invasive Pediatric Surgery of the Italian Society of Pediatric Surgery from the year 2018 to Today

Specific professional experience characterized by research activities related to the sector

Insolvency

- Professional external collaborator at the Pediatric Surgery of the First Polyclinic –University of Naples Federico II from 30 December 1983 to 1988
He attended to acquire scientific and health knowledge in the field of intensive care Pediatric Surgical, from 2 to 14/7/1984, the Pediatric Surgical Clinic of the University of Bologna.
- Specialization in Pediatric Surgery with marks 70/70 laude at the School of Specialization of Pediatric Surgery of the University Federico II.
- Assistant of Pediatric Surgery of role following Public Competition 16/7/1988 at 20/12/1988 at the P.S. Satobono hospital, Naples
- Technical Officer Graduated for the research sector in neonatal surgery with adjoining intensive care starting from 21/12/1988 at the Division of Pediatric Surgery – Department of Pediatrics of the Second University of Naples
 - Full-time Medical Assistant at the Pediatric Surgery of the Second University of Naples from 1/4/1989 to 28/2/1991
 - "Research Fellow" Brown University Program in Medicine, Divisione di Chirurgia Pediatrica, R.I., U.S.A., 1989-1990,
 - Winner of the National Research Council Scholarship (C.N.R.) "N.A.T.O.- C.N.R. ADVANCED FELLOWSHIP IN PROGRAM" with announcement of 7/10/1988, at Brown University Program in Medicine, Division of Pediatric Surgery, Providence, R.I., U.S.A., 1989-90.

- "Research Fellow" Rhode Island Hospital, Division of Pediatric Perinatal Cardiovascular Research, R.I., U.S.A., dal 01/03/1990 al 30/11/ 1990 .
- Full-time Medical Assistant from 1/3/1991 to 31/12/1994
- By resolution of the Faculty Council of the Second University of Naples of 28/11/1991 and of the Rector prot. N. 3778 of 2/07/1993 declared "Cultore della disciplina Chirurgia Pediatrica" for the three-year period 1992-1995 and 1995-1998
- Specialization in Digestive Surgery and Surgical Digestive Endoscopy with marks 70/70 laude on 22/07/1993
- Stage of Pediatric Digestive Endoscopy diagnostic and operative at the gastroenterology and digestive endoscopy service of the Poli Institute chair of Pediatrics of the University of Parma January-December 1994.
- Full-time Medical Assistant at the Pediatric Surgery of the Second University of Naples from 31/12/1994 to 16/1/2001
- Specialist recognized by the European Board in Pediatric Surgery, U.E.M.S. from January 1997 to today
- Member of the study group of the Italian Society of Pediatric Surgery and Pediatric Gastroenterology for "the guidelines for the surgical therapy of chronic inflammatory diseases. Rivista Italiana di Pediatria : Volume 24 :6 ,1099-1104 ,1998 .
- Internship in Pediatric Laparoscopic Surgery at the Pediatric Surgery "Fondation Lenval" Children's Hospital of Nice France, from 25/10 to 1/11/1999.
- Componente nella Società Italiana di Videochirurgia Infantile (S.I.V.I.) di studio multicentrico con altre sedi Universitarie e Ospedaliere " Laparoscopic treatment of pediatric varicocele: a multicenter study of the italian society of video surgery in infancy". J Urol. 2000 Giu;163(6):1944-6.
- By rector's decree n.1134 of 6/06/2000 suitability in the comparative evaluation procedure for a post of Tenured University Professor, second tier, scientific disciplinary sector F08C – Pediatric and child surgery banned by the Faculty of Medicine and Surgery of the University of Bologna
- Lecturer and Operator course of "Pediatric Laparoscopic Surgery" 20-22 November 2000, at the Department of Pediatric Surgery of the University of Bologna.
- Member of the working group of the Italian Society of Pediatric Surgery "Review of the classification of pediatric and neonatological patients and the related relative weights

used in the S.S.N. bill" in the year 2001-2002. "Proposal for the revision of pediatric and neonatal DRGs" Quaderni di Pediatria 2002-3 pag.178-193 .

- By Rector's Decree no. 4435 of 06/12/200 – Appointed Researcher confirmed for the scientific disciplinary sector MED 20 "Pediatric and Child Surgery" at the Faculty of Medicine and Surgery of the Second University of Naples from 16/01/2001
- With D.R. n.3392 of 24/07/2001 appointed Associate Professor for the disciplinary sector F08C "Pediatric and Child Surgery" at the "Second University of Naples from 24-07-2001 to date
- Medical Director of Pediatric Surgery at the Second University of Naples from 1/8/2001 to today
- Teacher and Operator: "Laparoscopic Surgery and Pediatric Thoracoscopy" 8-10 OCTOBER 2001, "at the Department of Pediatric Surgery of the University of Bologna.
- He was part of the Scientific Secretariat - Scientific Committee of the XXXV Congress of the Italian Society of Pediatric Surgery -Caserta -Reggia Vanvitelliana, Naples -Castel dell'Ovo , 19-21 September 2002 - Pediatric Surgery Second University of Naples
- Teacher and Operator: International course of "Laparoscopy and retroperitoneoscopy in pediatric urology" 11-13 November 2002, accredited UEMS/N2002/369, Department of Pediatric Surgery of the University of Bologna.
- He attended by invitation as Visiting Professor from 23 March to 29/3/2003 the Department of Pediatric Surgery at the Wilhelmina Children's Hospital, University Medical Center of Utrecht- Belgium to deepen the assistance and treatment of children and the application of endoscopic surgery.
- Lecturer in the international course of "Laparoscopic Surgery in Pediatric Gynecology and Robotic Surgery" 24-26 November 2003, accredited UEMS Department of Pediatric Surgery of the University of Bologna.
- Coordinatore nella Società Italiana di Videochirurgia Infantile (S.I.V.I.) di studio multicentrico con altre sedi Universitarie e Ospedaliere "Laparoscopic management of non-palpable testis: amulticenter study of the Italian Society of Video Surgery in Infancy". Papparella A et Al . J Pediatr Surg. 2005 Apr;40(4):696-700.

- Lecturer in the international course of "Laparoscopic Surgery in Pediatric Oncology" 22-24 November 2004 at the Department of Pediatric Surgery of the University of Bologna.
- Expert for the continuous training of health workers years 2006-2008-2009 for the Ministry of Health for the Profession of Surgeon
- He successfully attended the advanced course of video-assisted pediatric surgery from 28 to 29 October 2006 at the IRCAD in Strasbourg
- Lecturer of the Master of "Minimally Invasive Surgery and Pediatric Robotics" at the University of Bologna, Faculty of Medicine and Surgery, from the academic year 2007/08 to date.
- Expert Assessor PRIN 2012 for the Ministry of Education, University and Research from 01-01-2012 to 31-12-2012
- Lecturer "Advanced course of laparoscopic neonatal surgery" sponsored by IPEG (International Pediatric Endoscopic Group) , EUPSA (European Pediatric Surgeon Association) , SIVI (Italian Society of Child Videosurgery) , ESPES (European Society Pediatric Endoscopic Surgeons) - Pediatric Surgery - University of Naples - Federico II Naples 22-23 June 2017.
- Member of the Study Group of the Italian Society of Pediatric Surgery for the formulation of the Guidelines on Pediatric Day Surgery from 01-11-2013 to date.
"Italian Journal of Pediatrics " Mar 12;44(1):35 ,2018.
- Lecturer in advanced international course of "Neonatal Laparoscopic Surgery Naples 5-6 July 2018 sponsored by IPEG (International Pediatric Endoscopic Group), EUPSA (European Pediatric Surgeon Association), SICP(Italian Society of Pediatric Surgery), SIVI (Italian Society of Child Videosurgery), ESPES(European Society Pediatric Endoscopic Surgeons) – Pediatric Surgery –University of Naples -Federico II
- Coordinator of the Section of Robotic and Minimally Invasive Pediatric Surgery of the Italian Society of Pediatric Surgery from the year 2018 to Today
