

**CURRICULUM VITAE**NAME: **Luca De Nicola**

BIRTH: 27 June 1962 CITY: Taranto, ITALY

ADDRESS: via A. Vaccaro 28, 80127 Napoli-ITALY

CONTACTS: 0039 3485228503 Email: luca.denicola@unicampania.it

POSITION: **Full Professor Nephrology** (since July 2019)  
**Director of Nephrology Unit and Postgraduate School of Nephrology**  
**at University of Campania L. Vanvitelli, Naples, Italy** (since November 2019)

**EDUCATION/TRAINING**

INSTITUTION AND LOCATION	DEGREE	COMPLETION DATE	FIELD OF STUDY
University Federico II Naples, Italy	M.D.	07/1987	Medicine and Surgery
Nephrology Division of University of California in San Diego (CA), USA	Two-year Postdoctoral research fellowship	12/1991	Kidney micropuncture studies to evaluate glomerular hemodynamics and tubular function in health and renal diseases
University of Parma, Italy	Ph.D.	07/1993	Pathophysiology of chronic renal failure
University Federico II Naples, Italy	4-year course of Clinical Specialty	10/1996	Nephrology
University Federico II Naples, Italy	Postdoctoral research fellowship	12/1998	Medical Science
University of Campania "L. Vanvitelli", Italy (formerly called "Second University of Naples")	Assistant Professor	08/2001	Nephrology
University of Campania "L. Vanvitelli", Italy (formerly called "Second University of Naples")	Associate Professor	07/2019	Nephrology

**Personal Statement**

*I have coordinated or collaborated to several scientific investigations on the pathophysiology and management of chronic kidney disease (CKD) to slow progression to ESKD and dependent CV risk.*

These issues have been the focus of 280 papers (<https://pubmed.ncbi.nlm.nih.gov/?term=De+Nicola+L>), most published in the major international peer reviewed journals (*J Clin Invest, Circulation, J Am Coll Cardiology, J Am Soc Nephrol, Hypertension, Arch Int Med, Diabetes, Diabetes Care, Kidney Int, Am J Kidney Dis, Clin J Am Soc Nephrol, Am J Physiol, Nephrol Dial Transplant, Int J Obesity, J Hypertension, Am J Nephrol, Int J Obesity*).

**METRICS (Source SCOPUS): >5000 citations, H index 45**

### Major research projects:

- 2003-04: National Program of Research (P.R.I.N. 2003) “Achievement of blood pressure target values in the non-dialysis CKD patient: The Italian Multicentric TABLE study” in 25 outpatient Nephrology clinics in Italy.
- 2006-08: National Research Project on the prevention of CKD in Italy.
- 2008-12: CARHES study (CArdiovascular Risk in Renal Patients of the Italian Health Examination Survey), sponsored by Italian Society of Nephrology, National Institute of Health, National Association of Cardiologists-ANMCO, on prevalence and risk profile, including blood pressure) of CKD in Italy
- 2016-20: Integrated COnservative-PERitoneal dialysis in CKD-stage 5 (I-COPE-CKD), sponsored by Italian Society of Nephrology, on the cardiorenal effects of combined low-dose Peritoneal Dialysis and conservative treatment of CKD stage 5. The study has been awarded by a grant from BAXTER International.

---

## POSITIONS AND HONORS

### Positions and Employment

1985-1987	Resident, Division of Nephrology University Federico II Naples, Italy
1988-1992	PhD fellowship in “pathophysiology of chronic renal failure”, University of Parma, Italy (final exam on 1993).
<b>1989-1991</b>	<b>Visiting Professor at Nephrology Div. of University of California in San Diego, CA-USA</b>
1992-1996	Nephrology fellow, Specialty School in Nephrology, Division of Nephrology University Federico II Naples, Italy
1996-1998	Post-doctoral fellowship in Medical Science, Division of Nephrology University Federico II Naples, Italy
1999-2001	Assistant Professor of Nephrology, University Vanvitelli of Naples-Italy
2001 to date	Associate Professor, University Vanvitelli of Naples-Italy
2003-2007	Director Hemodialysis Unit, Nephrology Div. at S.M.d.P. Incurabili Hospital, Naples, Italy
2008-to date	Chief clinical management of all CKD patients hospitalized at S.M.d.P. Incurabili Hospital, Naples, Italy
2019-to date	<b>Full Professor of Nephrology, University Vanvitelli of Naples-Italy</b>
2019-to date	<b>Director PostGraduate School of Nephrology, University Vanvitelli of Naples-Italy</b>
2020-to date	<b>Director Nephrology and Dialysis Unit, University Vanvitelli of Naples-Italy</b>

### Other Experience and Professional Memberships

1987 to date	Member, Italian Society of Nephrology
1990 to date	Referee for Am J Physiol, Hypertension, Nephrol Dial Transplant, Kidney Int, Clin J Am Soc Nephrol, Hemodialysis Int, Plos One, J Nephrol and member of the Editorial Board of the official Journal of the Italian Society of Nephrology and Atherosclerosis.
2000-2001	Member of teaching committee of Master in Nephrology Science, Second University of Naples,

2002-2009 Member of teaching committee of PhD program in biomedical engineering  
2003-to date Chair, Program committee CME courses in Nephrology  
2010 to date Member, Scientific Program Committee of National meetings of Italian Society of Nephrology  
2011-2015 Member of Peer Review Committee for research projects of the Italian Ministry for Research and University  
2012-to date Member, European CKD Burden Consortium of European Society of Nephrology (ERA-EDTA)  
2013-2016 Secretary of the "Conservative Therapy of CKD" Working group of Italian Society of Nephrology  
2014 to date Country Coordinator for Italy of two International trials in Type 2 diabetic CKD patients (SONAR-Atrasentan, CREDENCE-Canagliflozin), and one in albuminuric CKD (ROTATE-3).  
**2015 to date Member of the governing board of the Italian Society of Nephrology**  
**2019 President of the 60° National Meeting Italian Society of Nephrology (2-5 Oct 2019)**  
**2019 to 2023 Member of Editorial Board of J. Nephrol, Atherosclerosis, Giornale Italiano di Nefrologia**  
**2021-2023 Member of the National Board (5 members) for examinations to provide national scientific habilitation functions for full and associate professor in Italian Universities (sector 06/D2)**

### Honors

1990-1991 Awarded Research Fellowship by the Medical Advisory Board of the National Kidney Foundation Southern California

**Prof. Luca De Nicola, MD-PhD**
