

SALVATORE D'AMATO

CURRICULUM VITAE

RELATING TO SCIENTIFIC, TEACHING AND WORK  
HELP CLINIC

2023

UNIVERSITY CAREER

Salvatore D'Amato born in Torre del Greco (NA) on 03.17.1957

Enrolled in the academic year '75-'76 at the 1st Faculty of Medicine and Surgery of the University of Naples Federico II.

- Graduated in Medicine and Surgery in the academic year '81-'82
- Qualified in the second session of the 1982 state exams to practice the profession of Surgeon.
- Internal Doctor of the Chair of Maxillofacial Surgery of the 1st Faculty of Medicine and Surgery of the University of Naples in the academic years '82-'83 and '83-'84.
- "Doctor External professional collaborator" of the Chair of Maxillofacial Surgery of the 1st Faculty of Medicine and Surgery of the University of Naples from April 84 to December 97.
- Expert of the discipline in "Maxillofacial Surgery upon appointment by the Council of the 1st Faculty of Medicine and Surgery of the University of Naples Federico II for the academic year

1989-90.

- Specialist in Maxillofacial Surgery at the 1st Faculty of Medicine and Surgery of the University of Naples Federico II on 25.10.1990
- Expert of the discipline in "Maxillofacial Surgery upon appointment by the Council of the 1st Faculty of Medicine and Surgery of the University of Naples Federico II for the academic year 1990-91.
- Technical Officer (8th functional qualification) with welfare roles (1st management level) from 02.01.98 to 26.07.99 at the Institute of Oral and Maxillofacial Surgery of the Faculty of Medicine and Surgery of the Second University of Naples.
- University researcher for the discipline F13 C Maxillofacial Surgery at the Second University of Naples from 07.26.99 at the Institute of Oral and Maxillofacial Surgery.
- Confirmed researcher for the scientific disciplinary sector Med 29, Maxillofacial Surgery from December 2002 to today
- Participate in the D.D. Call 1532/2016 for the National Scientific Qualification for Level II of Competition Sector 06/E3 Neurosurgery and Maxillofacial Surgery for the SSD MED/29 and is ELIGIBLE result until 10/31/2024
- Knowledge of the English language both in fluent speech and writing
- Associate professor for the scientific disciplinary sector Med 29, Maxillofacial Surgery From September 1, 2019 to today

Member of the Academic Senate of the University of Campania "Luigi Vanvitelli" representing the II Band from February 2020 to today

## TEACHING ACTIVITY

Teaching assignments on degree courses

Second University of Naples, Degree Course in Health Professions in Podiatry teaching of "Odontostomatological Diseases" (III year, I semester) Acc. Year 2004/05

Second University of Naples, Degree Course in Health Professions in Audioprosthesis Techniques, teaching of "General, clinical and pediatric nursing sciences" (II year I semester), Acc. Year 2004/05

Second University of Naples, Degree Course in Health Professions in Podiatry teaching of "Odontostomatological Diseases" (III year, I semester), Acc. Year 2005/06

Second University of Naples, Degree Course in Health Professions in Audioprosthesis Techniques, teaching in "General, clinical and pediatric nursing sciences" (2nd year, 1st semester), Acc. Year 2005/06

Second University of Naples, Degree Course in Health Professions in Podiatry teaching of "Odontostomatological Diseases" (III year, I semester), Acc. Year 2006/07

Second University of Naples, Degree Course in Health Professions in Audioprosthesis Techniques, teaching in "General, clinical and pediatric nursing sciences" (2nd year, 1st semester), Acc. Year 2006/07

Second University of Naples, Degree Course in Health Professions in Podiatry

teaching of "Odontostomatological Diseases" (III year, I semester), Acc. Year 2008/09

Second University of Naples, Degree Course in Health Professions in Audioprosthesis Techniques, teaching of "General, clinical and pediatric nursing sciences" (2nd year, 1st semester), Acc. Year 2008/09

Second University of Naples, Degree Course in Health Professions in Podiatry teaching of "Odontostomatological Diseases" (III year, I semester), Acc. Year 2009/10

Second University of Naples, Degree Course in Health Professions in Audioprosthesis Techniques, teaching of "General, clinical and pediatric nursing sciences" (2nd year, 1st semester), Acc. Year 2009/10

Second University of Naples, Degree Course in Medicine and Surgery, Teaching in "Maxillofacial Surgery" Naples (IV year – II Semester) year Year acc. 2008/09

Second University of Naples, Degree Course in Medicine and Surgery, Teaching "Maxillofacial Surgery" Naples (IV year – II Semester) year, Acc. year. 2009/10

Second University of Naples - Master's Degree Course in Medicine and Surgery, Teaching of "Maxillofacial Surgery" in the integrated course of "Dermatology, Plastic Surgery and Oral Cavity Diseases" (5th year - 1st semester) Acc. Year 2011/12

Second University of Naples - Master's Degree Course in Medicine and Surgery, Teaching of "Maxillofacial Surgery" in the integrated course of "Dermatology, Plastic Surgery and Oral Cavity Diseases" (5th year - 1st semester) Acc. Year 2012/13

Second University of Naples, Single Cycle Master's Degree Course in Medicine and Surgery Naples Teaching of "Maxillofacial Surgery" Acc. Year 2013/14

Second University of Naples, Single Cycle Master's Degree Course in Medicine and Surgery- Naples Teaching of "Maxillofacial Surgery" Acc. Year 2014/15

Second University of Naples, Single Cycle Master's Degree Course in Medicine and Surgery Naples branch, Teaching of "Maxillofacial Surgery" Acc. Year 2015/16

University of Campania "Luigi Vanvitelli", School of Medicine and Surgery, Teaching of "Maxillofacial Surgery" in the integrated course of "PATHOLOGY AND CLINICS OF THE SENSE ORGANS" (5th year – 1st semester) Acc. Year 2016/17

University of Campania "Luigi Vanvitelli", School of Medicine and Surgery, Teaching of "Maxillofacial Surgery" in the integrated course of "PATHOLOGY AND CLINICS OF SENSE ORGANS" (5th year – 1st semester) Acc. Year 2017/18 , 2018/19, 2019/20, 2020/21, 2021/22 and 2022/23

Teaching assignments on specialization courses

Proposed by the Council of the Faculty of Medicine and Surgery of the Second University of Naples (Meeting of 04/03/1992) for the carrying out of teaching activities of a predominantly technical-practical nature connected to the teaching of "General notions of operating technique" at the School of Specialization in "Maxillofacial Surgery" of the same Faculty for the acc. 1992/93

Proposed by the Council of the Faculty of Medicine and Surgery of the Second University of Naples (Meeting of 18/02/1993) for the carrying out of teaching activities of a predominantly technical-practical nature connected to the teaching of "General notions of operating technique" at the School of Specialization in "Maxillofacial Surgery" of the same Faculty for the acc. 1993/94

Proposed by the Council of the Faculty of Medicine and Surgery of the Second University of Naples (Meeting of 03/03/1994) for the carrying out of teaching activities of a predominantly technical-practical nature connected to the teaching of "General notions of operating technique" at the School of Specialization in "Maxillofacial Surgery" of the same Faculty for the acc. 1994/95

Adjunct Professor in the "School of Specialization in Maxillofacial Surgery of the Faculty of Medicine and Surgery of the Second University of Naples of the integrative course of "Operating technique in oral surgery" connected to the teaching of "General notions of operating technique" for the 1994-95 academic year.

Adjunct Professor in the "School of Specialization in Maxillofacial Surgery of the Faculty of Medicine and Surgery of the Second University of Naples of the integrative course of "Operating technique in oral surgery" connected to the teaching of "General notions of operating technique" for the 1995-96 academic year.

- Adjunct Professor in the "School of Specialization in Maxillofacial Surgery of the Faculty of Medicine and Surgery of the Second University of Naples of the integrative course of "Instrumental diagnosis in the dysfunctional pathology of the TMJ" connected to the teaching of 2 Surgical therapy of lesions of the TMJ bones." for the 1996-97 academic year.

Second University of Naples - Faculty of Medicine and Surgery Specialization School in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. year 99/00

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Surgical therapy of lesions of the soft tissues of the face" V Year, Acc. Year 99/00

Second University of Naples - Faculty of Medicine and Surgery Specialization School in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. year 99/00

Second University of Naples - Faculty of Medicine and Surgery Specialization School in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2001/02

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" IV Year, Acc. year 2001/02

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. year 2002/03

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" IV Year, Acc. year 2002/03

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2003/04

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" IV Year, Acc. Year 2003/04  
Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2004/05  
Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" IV Year, Acc. Year 2004/05

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2005/06  
Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2006/07

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Maxillofacial Prosthesis" VI year, Acc. Year 2006/07

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2007/08

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Maxillofacial Prosthetics" VI year, Acc. Year 2007/08

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2008/09

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Maxillofacial Prosthesis" VI year, Acc. Year 2008/09

Second University of Naples, Degree Course in Medicine and Surgery, School of Specialization in Ophthalmology, Teaching of "Maxillofacial Surgery" (2nd Year) for the academic year. 2009/10

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Odontostomatological Diseases" II Year, Acc. Year 2009/10

Second University of Naples - Faculty of Medicine and Surgery, School of Specialization in Maxillofacial Surgery, teaching in "Maxillofacial Prosthesis" VI year, Acc. Year 2009/10

Second University of Naples, Degree Course in Medicine and Surgery, Specialization School in Otolaryngology: Teaching of "Maxillofacial Surgery" (1st year) for the academic year. 2010/11

Federico II University, School of Specialization in Maxillofacial Surgery,  
He held lessons in Maxillofacial Surgery as a member of the teaching staff as an aggregate branch of the University of Campania "Luigi Vanvitelli" for the academic years: 2011/12, 2012/13, 2013/14, 2014/15, 2015/ 16, 2016/17

Participation in the PhD teaching committee

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, of the Oral Cavity and of audio-verbal communication, professor of the PhD in Oral-Maxillo-Facial Surgery XIX cycle 2003/2006, MINISTRY OF UNIVERSITY AND RESEARCH, Registry 2003 code = DOT0349402

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, Oral Cavity and Audio-Verbal Communication, professor of the PhD in Oral-Maxillo-Facial Surgery XX cycle 2004/2007, MINISTRY OF UNIVERSITY AND RESEARCH Registry 2005 code = DOT0349402 Registry 2004 code = DOT0349402

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, of the Oral Cavity and of audio-verbal communication, professor of the PhD in Oral-Maxillo-Facial Surgery XXI cycle 2005/2008 MINISTRY OF UNIVERSITY AND RESEARCH Registry 2005 code = DOT0349402

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, Oral Cavity and Audio-Verbal Communication, professor of the PhD in Oral-Maxillo-Facial Surgery XXII cycle 2007/2010, MINISTRY OF UNIVERSITY AND RESEARCH Registry 2006 code = DOT0349402

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, of the Oral Cavity and of audio-verbal communication, professor Research Doctorate in Experimental Reconstructive Surgery XXIV cycle 2009/2012 MINISTRY OF THE UNIVERSITY AND SEARCH Registry 2008 code = DOT0349237

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, of the Oral Cavity and of audio-verbal communication, professor Research Doctorate in Experimental Reconstructive Surgery XXV cycle 2010/2013 MINISTRY OF THE UNIVERSITY AND SEARCH Registry 2009 code = DOT0349237

Second University of Naples, Faculty of Medicine and Surgery, Department of Pathology of the Head and Neck, of the Oral Cavity and of audio-verbal communication, professor Research Doctorate in Experimental Reconstructive Surgery XXVI cycle 2011/2014 MINISTRY OF THE UNIVERSITY AND SEARCH Registry 2010 code = DOT0349237

Teaching activities relating to Master's and specialization courses

Teacher of the Specialization Course in Oral Surgery

Lecturer and Coordinator of the 2nd level Master's Degree in Oral Implantology at the University Department of Head and Neck Pathology of the Oral Cavity and Audio-Verbal Communication of the Faculty of Medicine and Surgery of the Second University of Naples

Second University of Naples - Faculty of Medicine and Surgery, Specialization Course in Facial Aesthetic Surgery, Teaching of "Main facial aesthetic surgery", Acc. Year. 2002/03

Second University of Naples, he is appointed Director of the II level Master, of one year duration, in "Oral Implantology" (renewed for the academic year 2013/2014) with Administrative headquarters at the Department of Medical-Surgical and Dental Specialties

Second University of Naples, on D.R. n.181 of 03/22/2016, he was appointed Director of the II level Master, lasting one year, in "Oral Implantology" (renewed for the academic year 2015/2016) with Administrative headquarters at the Department of Medical Specialties Surgical and Dental.

University of Campania "Luigi Vanvitelli", on D.R. n.505181 of 07/17/2017, is appointed Director of the II level Master, of annual duration, in "Oral Implantology" (renewed for the acc. year 2016/2017) with Administrative headquarters at the Department of Medical Specialties Surgical and Dental.

## HELP ACTIVITY

From 1982 to 1984 he actively collaborated, as an internal doctor, in the activities of the oral surgery department of the Institute of Oral and Maxillofacial Surgery of the 1st Polyclinic of the University of Naples.

From April 84 to 1997 he carried out healthcare activities as an external professional collaborator of the Institute of Oral and Maxillofacial Surgery of the First Polyclinic of the Second University of Naples.

From 1986 to today he has been responsible for the Day-Hospital activity relating to advanced surgery in the Oral Surgery department of the Institute of Oral and Maxillofacial Surgery of the 1st Polyclinic of the Second University of Naples.

Since January 1998 he has been a Technical Officer (8th qualification) with welfare functions at the Institute of Oral and Maxillofacial Surgery of the 1st Polyclinic of the Second University of Naples. (Annex no. 18)

From July 1999 to today he has been a University Researcher working as a first level medical director at the U.O.C. of maxillofacial surgery of the University Hospital of the Second University of Naples and subsequently the University of Campania "Luigi Vanvitelli"

As part of the new corporate structure of the A.O.U.'s care facilities, "Luigi Vanvitelli" was appointed head of the U.O.S. of Rehabilitation Surgery of the Oral-Maxillo-Facial district Resolutions no. 982 of 12/15/2017, 994 of 12/20/2017 and 999 of 12/21/2017

He carried out his clinical care activity as a 1st level medical director (ex art.9) at the U.O.C. of Maxillofacial Surgery in the clinical diagnostic and surgical field from April 84" to today, participating as 1st and 2nd operator or collaborating in the diagnostic and/or preparation phase for major, medium and minor surgical interventions.

#### Participation in research projects

Since 1992 he has participated in a Scientific Research Project (three-year) funded by the M.U.R.S.T. on:  
"Clinico-statistical investigation into prosthetic rehabilitation in partially and/or totally edentulous patients through the use of biocompatible materials".

Since 1992 he has participated in a Scientific Research Project (three-year) funded by the M.U.R.S.T. on:  
"Biomaterials in Maxillofacial Surgery".

Second University of Naples, Participant in the PRIN research program on "Molecular modifications in oral carcinoma: their impact on diagnosis and therapy". 2001/03

Second University of Naples, Participant in the PRIN research program on "Biomolecular analyzes in oral carcinoma: their impact on diagnosis and therapy". 2003/05

Second University of Naples, Participant in the PRIN research program on "The role of the antioxidant capacity of saliva in peri-implant bone resorption". 2004/07

Second University of Naples, Participant in the PRIN research program on "Evaluation of the effectiveness of the medical device, in the form of a spray, consisting of synthetic amino acids and sodium hyaluronate vs a compound containing only sodium hyaluronate in the treatment of radiochemo/induced mucositis, and placebo, randomized and controlled clinical trial to determine the effectiveness of "Lower Level Laser Therapy" in the prevention and treatment of oral mucositis in patients undergoing radiotherapy and/or chemotherapy". 2010/12

Organization or participation as a speaker in scientific conferences in Italy or abroad

-Speaker of refresher course at AMDI Potenza on: "Surgical and prosthetic aspects in oro-implant surgery, Potenza 19.01.1991

- Speaker at the refresher course in Oral-Maxillo-Facial Surgery at the Medical Association and of the Dentists of the Province of Salerno, Salerno, 17 February 1996
- Speaker at the specialization course in Oral Surgery - Second University of Naples  
Acc. year 2002/2003
- Speaker at the specialization course in Oral Surgery - Second University of Naples  
Acc. year 2003/2004
- Speaker at the specialization course in Oral Surgery - Second University of Naples  
Acc. year 2004/2005
- Speaker at the 45th National Scientific Day Congress of Maxillofacial Surgery  
Cuban, University Hospital "Gral. Calixto Garcia"  
Havana Cuba November 17, 2005
- Speaker at the training event entitled: "INTEGRATED DENTISTRY: New technologies in recovery and replacement of heavily compromised elements,"  
Order of Doctors and Dentists of the Province of Salerno, Salerno 11 May 2007
- Speaker at the IV Course in Prosthetic and Laboratory Technologies at the University of Naples "Federico II", Faculty of Medicine and Surgery, Department of Sciences Dental and Maxillofacial. Title: Facial analysis and clinical evaluations for aesthetic and functional restoration of the dimension of the lower third of the face. April 2009
- Speaker at the V Congress of Oral-Maxillo-Facial Medicine and Pathology "Carcinoma of the Cavo  
Oral: Multidisciplinary approach in improving the quality of life" Trieste 9-10 March 2012
- Speaker at the XIX National Congress of the College of Teachers in Dentistry "High Tech come support for Research, Teaching and Clinic in Dentistry.  
Title: "The digital approach in diagnosis and implant therapy" Turin 12-14 April 2012  
from 12-04-2012 to 14-04-2012
- Speaker at the 88 Greater New York Dental Meeting" with a refresher course on diagnosis topics, surgical therapeutic treatment plan for Severe Maxillary Atrophies.  
New York, United States, November 23-28, 2012
- Speaker AOCMF Campania Workshop First Regional Meeting, Principles, technique and evolution  
of the treatment of mandibular fractures: "Biomechanics of the Mandible and Pattern of Fractures" Naples 25 January 2013
- Speaker at the 7th International Symposium Sofia Dental Meeting, "Tailored dental treatments in the digital revolution" with a lesson entitled: "The severely atrophic backbone: paths to success". Sofia from 02-10-2014 to 05-10-2014
- Speaker at the 8th International Symposium Sofia Dental Meeting, with a lecture entitled: "Complex cases on natural teeth and implants: how to achieve aesthetic success using invasive and non-invasive techniques" 1-4 October 2015, Sofia, Bulgaria
- At the invitation of the International Conference of the Israeli Association of Oral and Maxillofacial Medicine  
Speaker surgeons on "New concept in the implant treatment of severe jaw atrophy"  
Hagalil – Israel, 15-18 June 2016
- Speaker of the refresher course of the Italian Odontostomatological Cenacle section. Cosenza on:"One

modern vision of doing implantology: single tooth replacement, ridge replacement Atrophic; Replacement with computer-assisted surgery, post-extraction implants". Cosenza 18 June 2016

-Speaker at the II level Master in Oral Surgery of the Magna Graecia University of Catanzaro 15 October 2016

- Speaker of the refresher course of the order of doctors and dentists of the province of Salerno on " THE SMILE DISPLAY IN PHYSIOLOGICAL AND PATHOLOGICAL CONDITIONS opportunities, suggestions and certainties from the single element to severe atrophy of the jaws"  
Salerno 21 January 2017

-XX National Congress of the Italian Society of Maxillofacial Surgery - Naples 14-17 June 2017. he participated in the conference proceedings as moderator and president of session.

He participated as a speaker at the Primo Memorial Brusotti-Next Generation: from the maestro to students: Evolution of dentistry over the last 30 years  
Pavia 29-30 September 2017

-Speaker at the X International Dental Meeting, Sofia, Bulgaria, with a conference entitled: "Minimally invasive treatments and different approach strategies to implant surgery" 12-15 October 2017

He participated, as Local Chairman, in the 32nd International Congress of the European Academy Esthetic Dentistry on "Strategies in Treatment Planning: Efficiency Vs. Reliability, Sorrento Na, 24-26 May 2018  
Participation in scientific societies and academies

He is a member of the Italian Society of Maxillofacial Surgery.  
He is an active member of the Italian Society of Osseointegration, currently the Italian Academy of Osseointegration, within which he also holds the position of secretary for the two-year period 96-98 and that of advisor for the two-year period 99-2001 and that of auditor for the two-year period 2017-19 and from 2020 that of member of the active members acceptance commission.  
He is an active member of the Italian Academy Aesthetic Dentistry within which he held the role of coordinator of the cultural commission for the two-year period 2016-18, of vice-president 2019-20, of president-elect 2021-22 and President for the two-year period 2023-24  
He is an active member of the International Academy for Digital Dental Medicine (AAID)  
He is an active member of the American Academy of Implant Dentistry  
He is an active member of the European Academy Esthetic Dentistry  
He has been a member of the AOCMF Foundation from 2014 to today

Formal assignment of teaching or research positions (Fellowship) at qualified foreign or supranational universities and research institutes:

-Harvard Medical School, Department of Surgery, Division of Plastic Surgery, Children's and Massachusetts General Hospital. Boston November 23-29, 1998

- Participated in a Zygoma Implants approach training course at the Davò Institute, Oral and Maxillofacial Surgery Hospital Medimar International, Alicante Spain.  
from 10-09-2012 to 11-09-2012

-Fellowship in Oral, Maxillofacial and Facial Surgery at University Hospital of Basel from 15-20 June 2015

-University of Insubria, Department of Medicine and Surgery, Research Centre University Gold Skull Facial. He held a seminar on  
"Surgical therapy of atrophic ridges using autologous bone grafts and techniques

alternatives" as part of the activities of the international master's degree in Implantology on "New trends in implantology and oral rehabilitation" in Como on 24-25 January 2018

Participation in master's courses and courses:

You participated in the specialization course in "Biomaterials in Prosthetic Surgery" at the Faculty of Medicine and Surgery of the University of Bologna for the year Acc. 93/94 from 01-01-1993 to 01-01-1994

Direction or participation in editorial committees of magazines, editorial series, encyclopedias and treatises of recognized prestige

Author of the book chapter of "Treatise on Maxillofacial Surgical Technique I" edited by Italian Society of Maxillofacial Surgery, Ed. Idelson Gnocchi 2017

"Bone regeneration with harvesting from the mandibular branch"

Author of the chapter of the book "maxillary sinus lift via the crestal approach" ISBN: 9788821457180

XXII S.I.O.C.M.F. National Congress Rome, 6-9 December 1989.  
Conference Proceedings.
27. "Surgery for dysodontiasis of the lower eighth". in collaboration with S. Tartaro and A. Itro.  
Video communication 2nd Congress of the European Society of Video Surgery.  
Turin, 6-8 September 1990.  
Congress Proceedings.
28. "Vademecum for the containment of infectious risks in dentistry  
(useful tips to avoid AIDS, viral hepatitis B and other infections in professional practice)".  
in collaboration with S. Tartaro, M; Judge, F.A. Stroffolini, V. Ammaturo, G. Colella,  
Corvo G., Itro A., A. Marra and P. Fiore. March 1991
29. "Selection of patient candidates for oro-implant surgery (search setting  
clinic to the topic of implantology)". in collaboration with A. Itro.  
Impl video magazine. and Chir. Oral 3: 5-16, May/July 91.
30. "Possibilities and limits in the prosthetic rehabilitation of the edentulous  
elderly".  
in collaboration with A. Itro and A. Carotenuto.  
Com. V National Congress of the S.I.C.G. Perugia 18-21 Sept. 91  
Congress Proceedings.
1. "Our experience in the field of oro-implant surgery  
in the geriatric patient". in collaboration with A. Itro and F. Melito.  
Com. V National Congress of the S.I.C.G. Perugia 18-21 Sept. 91  
Congress Proceedings.
32. "Pre-operative protocol in pre-prosthetic surgery  
of the elderly".  
in collaboration with A. Itro and C. Bencivenga.  
Com. V National Congress of the S.I.C.G. Perugia 18-21 Sept. 91  
Congress Proceedings.
33. "Surgery of the periapex".  
in collaboration with A. Itro and D. Gamba.  
Com. 79th Annual World Congress of the Federation  
International Dental. Milan, 7-13 October, 1991.  
Proceedings of the Congress Vol. V .
34. "Our experience in oral implantology".  
in collaboration with A. Itro and A. Carotenuto.

Com. 79th Annual World Congress of the Federation  
International Dental. Milan, 7-13 October, 1991.  
Proceedings of the Congress Vol. V .

35. "Evaluation and operating techniques in third party avulsion impacted mandibular molars".  
in collaboration with A. Itro and G. Faillace, G. Pietrafesa.  
Ephemerides - Domus Medica IV: 109-115, 1991
36. "Chemical-physical characteristics of titanium"  
in collaboration with Itro A., A. Carotenuto, A. Cozzolino,  
F. Maffettone and G.P. Tartar.  
Matt. Dent. II-2: 135-140, 1991
37. "Coding of the odontectomy of the third molar  
mandibular included".  
in collaboration with A. Itro and G. Faillace.  
4th Conference on Dental Disciplines - Abruzzo Region.  
Montesilvano (Ps), 1-2 May 1992.  
Conference Proceedings.
- 38 "Study premise for the qualitative analysis of hydroxyapatite".  
in collaboration with V. Santoro and G.P. Tartar.  
4th Conference on Dental Disciplines - Abruzzo Region.  
Montesilvano (Ps), 1-2 May 1992.  
Conference Proceedings.
39. "Our experience in oral implantology".  
in collaboration with A. Itro and F. Melito.  
4th Conference on Dental Disciplines - Abruzzo Region.  
Montesilvano (Ps), 1-2 May 1992.  
Conference Proceedings.
40. "Clinical-Surgical Protocol in oroimplant surgery".  
in collaboration with A. Itro and A. Carotenuto.  
4th Conference on Dental Disciplines - Abruzzo Region.  
Montesilvano (Ps), 1-2 May 1992.  
Conference Proceedings.
41. "Considerations on dental transplants and reimplantations".  
in collaboration with G. Domestico, N. Stabile, F. Shiavoni.  
4th Conference on Dental Disciplines - Abruzzo Region.  
Montesilvano (Ps), 1-2 May 1992.  
Conference Proceedings.
42. "Diffractometric analysis of hydroxyapatite"  
in collaboration with V. Santoro.  
IV Mediterranean Days of Dentistry.  
Naples, 28-29 February 1992.  
Conference Proceedings
43. "Multidisciplinary aspects in oro-maxillofacial rehabilitation  
of the third age" in collaboration with A. Itro.  
1st Dental Days of the University of Sassari.  
Sassari, 7-8 May 1992.  
Conference Proceedings.
- 44 "Diagnosis and orthodontic-surgical treatment of a case of IIIa  
dentoskeletal class".  
in collaboration with G. Corvo, A. Itro and G. Colella.

Stom. Lombardo-Veneta VI-2: 121-125, 1992

45. "The rapid disjunction of the palate".  
in collaboration with G. Corvo, A. Itro and G. Colella.

46. " Comparison between manual and surgical VTO  
computerized" in collaboration with G. Corvo, A. Itro  
and A. Cozzolino. - Stom. Lombardo-Veneta VI-3: 161-164, 1992.
47. " Problems inherent to borderline anatomical situations in  
rehabilitation of the totally edentulous.  
in collaboration with A. Itro, G. Corvo and Cozzolino.  
Stom. Lombardo-Veneta VI-3: 165-171, 1992.
48. "The rehabilitation of the elderly patient in conditions  
physiological and pathological".  
in collaboration with S. Tartaro, A. Itro.  
Second National Symposium of the Italian Society of  
Geriatric Dentistry. Padua, 20-21 November 1992.  
Conference Proceedings.
49. "Comparing clinical applications in Implantology".  
in collaboration with A. Itro.  
Report XXIII National S.I.O.C.M.F. Congress  
Bologna, 30 November - 3 December 1992.  
Congress Proceedings.
50. " Clinico-statistical considerations on 292 cases of pathologies of the  
salivary glands".  
in collaboration with A. Itro, V. Garau, G.P. Tartar.  
Min. Stom. 1993 Jul-Ag; 42(7-8): 341-353.
51. "Prevention of post-operative pain in oral surgery".  
in collaboration with A. Itro, G.A. Ferraro, G.B. Pepper  
Commun. V Regional Conference of Dental and Stomatological Disciplines  
Abruzzo." Current affairs in preventive dentistry".  
L'Aquila, 29-30 April/1 May, 1993.  
Conference Proceedings
52. "Prevention of complications in implant prosthesis"  
in collaboration with A. Itro, A. Carotenuto, P.L. Grimaldi.  
Commun. V Regional Conference of Dental and Stomatological Disciplines  
Abruzzo." Current affairs in preventive dentistry".  
L'Aquila, 29-30 April/1 May, 1993.  
Conference Proceedings.
53. "Prevention of septic complications in oral surgery".  
in collaboration with A. Itro, F. Melito and E. D'Angelo.  
Commun. V Regional Conference of Dental and Stomatological Disciplines  
Abruzzo." Current affairs in preventive dentistry".  
L'Aquila, 29-30 April/1 May, 1993.  
Conference Proceedings.

54. "Patient selection criteria in implant prosthesis".  
in collaboration with A. Itró, S. Aquino, L. Stabile.  
Commun. V Regional Conference of Dental and Stomatological Disciplines  
Abruzzo." Current affairs in preventive dentistry".  
L'Aquila, 29-30 April/1 May, 1993.  
Conference Proceedings.
55. "Comparing clinical applications in implantology".  
in collaboration with A. Itró.  
Min. Stom 1993 Sep; 42(9): 413-432.
56. "Biomaterials in Implantology"  
in collaboration with A. Itró and M. Strano.  
Com. 1st National Congress of Dentistry Teachers.  
Rome, 24-27 March 1994.  
Congress Proceedings.
57. "Tooth transplants: therapeutic possibilities at a young age".  
in collaboration with A. Itró and N. Stabile.  
Com. 1st National Congress of Dentistry Teachers.  
Rome, 24-27 March 1994.  
Congress Proceedings.
58. "Possibilities and limits of dental reimplantations".  
in collaboration with A. Itró and A. Carotenuto.  
com. 1st National Congress of Dentistry Teachers.  
Rome, 24-27 March 1994.  
Congress Proceedings.
59. "Biomaterials in oro-maxillofacial prostheses".  
in collaboration with S. Tartaro and A. Itró.  
Correlator VI Congress of Dental Disciplines  
Abruzzo region. Francavilla al mare (CH), 29-30 April 1994.  
Congress Proceedings.
60. "Characterization of glass ionomers for surgical applications in  
implantology".  
in collaboration with A. Itró and G. Corvo.  
1st World Osseointegration Congress - Venice 29th Sept.-2nd Oct.  
1994. Proceedings Congress
61. "Incidence of craniomandibular dysfunctions in relation  
to various types of occlusion".  
in collaboration with G. Corvo, C. Chiarella and A. Lanza.  
Quadruple. Med. and Chir. 10(4): 4-9, 1994
62. "Characterization of glass ionic cements intended for  
surgical uses (thermokinetic characterization) note I".  
in collaboration with A. Itró, G. Corvo, G.P. Tartarus, V. Garau.  
Dentistry N.6/94.
63. "Characterization of glass ionomer cements intended for  
surgical uses (spectroscopic characterization) note II".  
in collaboration with A. Itró, G. Corvo, R. Paroli, V. Santoro.  
Dentistry N.7/94.

64. "Characterization of glass ionomer cements intended for surgical uses (mechanical characterization) note III".  
in collaboration with Itro A., G.P. Tartaro, G. Corvo, A. Cozzolino.  
Dentistry N.8/94.
65. "Characterization of glass ionomer cements intended for surgical uses (adhesion properties) note VI".  
in collaboration with A. Itro, R. Paroli, M.F. Strange, G. Corvo.  
Dentistry N.1/95.pag. 108-112.
