

CURRICULUM VITÆ ET STUDIORUM

BRUNO D'AGOSTINO

DATE OF BIRTH: 23th October 1964

NATIONALITY: Italian

- 1992: First honour degree in Medicine and Surgery, University of Naples “Federico II”
- 1994: Grant for foreign country stay by SIF(Italian Society of Pharmacology)
- November-December 1994: Visiting researcher at the Department of Pharmacology King’s College, London. Supervisor Prof Clive P.Page, to carry out researchs on Bronchial Hyperresponsiveness
- June – October 1995: Visiting researcher at the Department of Pharmacology King’s College, London. Supervisor Prof Clive P.Page, to carry out researchs on Bronchial Hyperresponsiveness
- February 1996: Visiting researcher at the Department of Pharmacology King’s College, London. Supervisor Prof Clive P.Page, to carry out researchs on Bronchial Hyperresponsiveness
- 1996: National Society of Sciences, Arts and Letters award, Naples
- 1997: Specialist of Pharmacology, Second University of Naples
- 1997: CNR Grant for foreign country stay
- 1997–1998: Collaboration in teaching Pharmacology, at the Medical School of “Respiratory System Diseases”, of Second University of Naples
- 1998: SIF (Italian society of Pharmacology) Grant for foreign country stay
- 1998: CNR Grant for foreign country stay
- 1998–2000: Collaboration in teaching Pharmacology in Medical School of Second University of Naples
- January–February 2000: Visiting researcher at the Laboratoire de Pharmacologie Respiratoire, Faculté de Medicine Paris-ouest. Supervisor Prof C. Advenier
- May–September 2000: Visiting researcher at the Department of Pharmacology King’s College, London. Supervisor Prof Clive P.Page.
- From 2001 to now: Researcher in Pharmacology – Medicine and Surgery - Second University of Naples
- 2001: teaching Pharmacology in Dentist School of Second University of Naples

- 2001: member of the Research Operating Unit for the National Relevance Project: “Modulation of mechanisms involved in the immune-allergic response in experimental animals and in humans”
- 2002: PhD in Pharmacological Sciences and Respiratory Pathophysiology at the Faculté de Medicine Paris-ouest
- 2003: Assignment of teaching Pharmacology at the Medical School of Odontostomathologic Special Surgery
- 2003: member of the Research Operating Unit for the National Relevance Project: “Analysis of cellular population and of systemic and airways cytochines in the sensitization and in allergen response:
- 2004: Responsible of Research Operating Unit for the National Relevance Project: ” Role of Protease Activated (Par)- 1 and 2 Receptors in Airway Inflammation and Pulmonary Fibrosis
- 2005: Assignment of teaching Pharmacology at the Medical School of “Respiratory System Diseases”, Second University of Naples
- 2006: Currently Responsible of Research Operating Unit for the National Relevance Project: ” Cross-talk between proteinase activated and toll-like receptors in animal models of airway hyperresponsiveness.
- From 2007 Assignment of teaching Pharmacology at the Medical School of Nurses, Second University of Naples
- From 2007 Assignment of teaching Pharmacology at the Faculty of Pharmacy, Second University of Naples
- 2009: patent N° NA2009A000026- “NOP receptor agonists and their therapeutic uses”
- 2018: patent N° IT102018000003639 “Derivati 3-eteroarilfenolici come nuovi potenti inibitori della 5-lipossigenasi”
- From 2010 Associate Professor in Pharmacology
- SOCIETY MEMBERSHIP: Italian Society of Pharmacology
- JOURNAL EDITORIAL SERVICE: American journal of Respiratory and Critical Care Medicine, Pulmonary Pharmacology and Therapeutics, British Journal of Pharmacology, Clinical Drug Investigation, Thorax.
- EDITORIAL BOARD MEMBER: Journal of Respiratory Research
- SCIENTIFIC ACTIVITY: Author of more than 70 international papers
