#### DEGREE COURSE IN DENTISTRY AND DENTAL PROSTHESES

DIDACTIC COMMITMENT - Member of the Committee for the Final Examination of Odontostomatological Clinic since 1992/93 - Member of the Commission for certification of the examination of Conservative Dentistry The old system of the AA.AA 2010/11 - Member of the Commission for the final examination of Conservative Dentistry II from the academic year 2010/11 - Member of the Examination Commission for the module of Odontostomatology Clinic I of the Academic Year 2011/12; 2012/13 - Member of the Commission for the Final Conservation Examination for the Master's Degree Course. 2012/13 - Member of the Degree Committee for the Degree Course in Dentistry and Dental Prosthetics - Member of the State Examination Committee for the Degree Course in Dentistry and Dental Prosthetics since 2002.

#### DEGREE COURSE IN DENTAL HYGIENE

- Member of the Commission for the Examination module of Odontostomatological disciplines of the Academic Year of the Academic Year 2010/11 - Member of the Graduate Commission of the Degree Course in Dental Hygiene

#### IN STAGE POST-LAUREA

- Member of the Commission for the examination of Medical Pathology at the School of Specialization in Oral Surgery - Member of the Commission for the examination of Metallurgy at the School of Specialization in Orthodontics - Member of the Board of the Master in Orthodontics: "The straight technique- wire according to RH Roth "- Member of the Board of Directors of the PhD in BIOMEDICAL TECHNOLOGIES

APPLIED TO SUN ODONTOSTOMATOLOGICAL SCIENCES since 2009.

She is part of the teaching body and the organizational committee for the 2nd level 2nd level Orthodontics Master's Degree: "Straight-wire technique according to Ronald H. Roth - academic year 2011-12 • 2nd level Orthodontics Master's Degree: Diagnosis and treatment of classes Dento-skeletal philosophies and techniques compared - academic year 2012-13 • Master's Degree in Orthodontics of the 2nd level: complex challenges in orthodontics: adult orthodontic treatment - academic year 2013-14 • Master's degree in Orthodontics "Philosophy and basic concepts of the Straight Wire MBT technique "New diagnostic and therapeutic protocols Theoretical-Practical course - academic year AA.AA 2014-2015 May-December 2015 • Postgraduate course: Diagnosis, Technique and outline of Orthodontic - academic year 2013-14; 2014-15; 2015-2016 • Postgraduate course: Special Biomechanics in Technique Roth / Face with the help of miniscrews - academic year 2014-15 • Postgraduate Course: Occlusion and Posture Techniques stabilometric and posturometric - academic year 2013-14 and 2015-2016 • Master's Degree in Orthodontics "Excellence in Orthodontics Step by Step: the Straight-Wire Mirabella Technique" Theoretical Course. - 2015-16 academic year • Level II Master in "Excellence in International Orthodontics" for AA.AA 2016-2017 • "Basic in Orthodontic" Master's Degree in Year AA. AA 2016-2017 • "SON ..... Orthodontic" II level Master's degree for the year AA. AA 2016-2017 for two years

Responsible for the PERFECT COURSE

He is Director of the Specialization Course "Direct and indirect restorations for the anterior and posterior sectors - from theory to practice" AA. 2017/18

#### TRAINING TEACHINGS AS A CONTRACTOR PROFESSOR

Course in Oral Immunopathology as an integrated course at the Odontostomatological Clinic for the Degree Course in Dentistry and Dental Prosthetics for the AA: Academic Year 1997/98

-Integrative teaching activity of Odontostomatological Clinic, objective: clinical of oral disimmunopathies, scientific-disciplinary field: F13B for the academic year 1998 \ 99.

#### TEACHINGS IN THE DEGREE COURSE IN DENTISTRY AND DENTAL PROSTHESES BY RESEARCHER

She has held the role of teaching assignment for the following didactic and theoretical-practical activities in the following integrated courses of the Degree Course in Dentistry and Dental Prosthetics.

-Embriogenesis of the face and its deviations (C.I: Odontostomatologic Clinic II) YY: Academic year 2006/07 and 2007/08; -C.I Odontostomatologic Clinic II for the Academic Year 2006/2007 and 2007/08.

Teaching for assignment for the following didactic and theoretical-practical activities in the following integrated courses of the Degree Course in Dentistry and Dental Prosthetics of the new system: -Access to the disciplines Odontostomatologiche-traineeship (C.I. Access to the disciplines Odontostomatologiche) for the AA.AA. 2006/07; 2007/08 and 2008/09; - Odontostomatological procedure (C.I Odontostomatologic Clinic I) for AA.AA. 2006/07; 2007/08 and 2008/09. -Immunopathology Oral (CI clinical odontostomatologica II for AA.AA 2006/07, 2007/08 and 2008/09. -Trocínio-Clinical Odontostomatologica II (CI Clinico Odontostomatologica III) for the academic years 2006/07; 2007/08 and 2008/09. -Torocínio-Clinical Odontostomatologica (CI Clinico Odontostomatologica V) for the academic year 2008/09 -Torocínio-Clinico Odontostomatologica (CI Clinico Odontostomatologica IV) for the academic year 2008/09.

Teaching for assignment for the following didactic and theoretical-practical activities in the following integrated courses of the Specialist Degree Course in Dentistry and Dental Prosthetics of the new system: - Internship of Conservative Dentistry (C.I. Conservatory Dentistry III) for the AA.AA. 2009/10 and 2010/11. - Internship of Conservative Dentistry (C.I. Conservative Dentistry IV) for the AA.AA. 2009/10 and 2010/11. - Internship of Conservative Dentistry (C.I. Conservative Dentistry V) for the AA.AA. 2009/10 and 2010/11. - Internship of Conservative Dentistry (C.I. Conservative Dentistry VI) for the AA.AA. 2009/10 and 2010/11.

Teaching for assignment for the following teaching activities in the following integrated courses of the MAGISTRAL Degree Course in Dentistry and Dental Prosthetics: - Conservative Dentistry for the AA.AA. 2011/2012; - A.F.R. for the year 2011/2012. - Conservative Dentistry (C.I of Odontostomatological Disciplines) (IV Year-II sem) for the AA.AA. 2012/13; 2013/2014; 2014/2015; - Conservative Dentistry (C.I Dentistry) (V Year-II sem) for the AA.AA. 2013 / 14.2014 / 15 - Dental Materials from the AY 2015/2016

#### TEACHINGS IN THE DEGREE COURSE IN DENTAL HYGIENE

Teaching for assignment for the following didactic and theoretical-practical activities in the following integrated courses of the Degree Course in Dental Hygiene: - Odontostomatological pathology for the AA.AA 2011/12 - Conservative Dentistry for the academic year 2010/11; 2011/12; 2012/13; 2013/2014 and 2014/2015 - Dental Materials for the AY 2015/2016

#### TEACHING IN SCHOOLS OF SPECIALIZATION

- Teaching course of the Metallurgy and Merceology course in Orthodontics for the Specialization school in Orthodontics for graduates of the Master's Degree in Dentistry and Dental Prosthetics from the year AA: AA. 2012/13 to today
- Teacher of Medical Pathology and Internal Medicine (2nd year) at the School of Specialization in Odontostomatological Surgery from the Academic Year 2008/09; to date

#### RESEARCH COMMITMENT ENGAGEMENT IN RESEARCH PROJECTS Participant in the Research Program

1- (Ministerial Decree No. 582/2006 of March 24, 2006). Second University of Naples Regional Reference Center for Patients with Cheilognathopathic Acid and Gold-Maxillo-Facial Malformations Responsible Prof. F Gombos: Pathogenetic-Molecular Mechanisms of Pemphigus Vulgaris: "Vulgar Pemphigus Serum Induces Mobilization of Keratinocytic Receptors and Modification Protein Phosphorylation Status: Dissection of Pathogenic Events and New Therapeutic Approaches "(Request for co-financing PRIN 2007: Study of etiopathogenetic mechanisms in pemphigus - Coordinator: Prof. Carlo Pincelli, University of Modena and Reggio Emilia) From 22/09/2008 to 20/10/2010

2. Received funding for University Resources for approval at the Department Council meeting of November 23, 2015 with assignment of € 5,000.00 for the research project: The evaluation of pressure loads in restorations of different thickness. A randomized, controlled, comparative and double-blind study in vitro "

He is responsible for the research project

- Scientific Responsibility for the research project of the University SUN 2015 entitled: Evaluation of pressure loads in conservative restorations at different thicknesses. A double-blind, randomized, controlled and compared in-vitro study
- Scientific Responsibility for the research project of the SUN 2015 University entitled: Evaluation of the outer marginal seal in enamel on the occlusal surface and in dentin in the proximal box after functional loading.

#### RESEARCH FIELDS CARRIED OUT

Since 1999 he has devoted himself to the study and research for patients with Burning Mouth Syndrome. Since 2005 he has dedicated himself to the study and research of the etiopathogenesis of oral Pemphigogus. Since 2010 he has dedicated himself to the study of dentinogenesis and to the treatment of dentinal hypersensitivity

He was part of the project PREDICA (PREVENTION OF CANCER) WITH NATIONAL DIFFUSION

## ASSISTANCE COMMITMENT

Since 1989 he has dedicated himself to research and to the clinic for the disimmunitary, precancerous and cancerous diseases of the oral cavity. -He carried out his assistance tasks at the Department of Odontostomatological Clinic I addressed to the patient with oral pathology since 2005. -From 2010 he carries out his own care activity at the conservative department of the Multidisciplinary Department of Medical, Surgical and Dental specialties dedicating himself to the direct restoration with resin composite.

## SCIENTIFIC ACTIVITY

### REFEREE

- He is a member of the International EDITORIAL BOARD of Journal of Oral and Maxillofacial Pathology (IJOMP) ISSN-2231-2250 <http://journalgateway.com/ijomp/search>

- It is part of the EDITORIAL BOARD of the Journal of Medical & Surgical Pathology - It is part of the JSM Gold Facial Surgery Editor Board It is a member of the editorial board of the Annals of Clinical Case Reports - Dentistry Case Reports [http://anncaserep.com/dentistry & oralmedicine.php](http://anncaserep.com/dentistry%20&%20oralmedicine.php) He is part of the Editorial Board of the Open Access Journal of Dental Sciences (OAJDS)

He is Ad Hoc Referee for prestigious international journals with an impact index:

• J Oral Pathol Med • Int J Oral Maxillofac Surg. • Oral Surg Oral Med Oral Pathol Oral Radiol Endod • Int J Dermatol.

### BOOKS

He collaborated with scientific contribution and bibliographic research to the drafting of the book - Atlases of Dentistry: Oral Immunopathology. F. Gombos, R. Serpico. Piccin Edit 1998.

- He is co-author with Prof Fernando Gombos of the Chapter related to the section of Diseases of the Digestive Channel. Volume VIII; Chapter 31 - PRIMARY AND / OR STOMATOPATHIES RELATED TO DISEASES OF THE ENTIRE ORGANISM pages 329-398 for the TREATY OF INTERNAL MEDICINE by P. LARIZZA publisher Piccin Nuova Libreria- Padova 2009
