

Prof. Monica Lamberti

Curriculum Vitae

PERSONAL INFORMATION

First Name/Surname	Monica Lamberti
Address	University of Campania "Luigi Vanvitelli" Department of Experimental Medicine via De Crecchio 7, 80138 Naples
Phone	081 5665901
E-mail	monica.lamberti@unicampania.it
Citizenship	Italian
Sex	Female

PROFESSION **Associate Professor of Occupational Medicine (MED/44)** - Occupational Medicine - University of Campania "Luigi Vanvitelli" (formerly Second University of Naples) - Department of Experimental Medicine - Section of Hygiene, Occupational Medicine and Forensic Medicine.

SCIENTIFIC ABILITATION Eligible for the I fascia of University Professors for the concurrent area 06/M2 - Legal and Occupational Medicine MED44 - Occupational Medicine from 28/03/2017 to 28/03/2026

NATIONAL Eligible for the II band of University Professors for the concurrent area 06/M2 - Legal and Occupational Medicine MED44 - Occupational Medicine from 14/02/2017 to 14/02/2026

UNIVERSITY PROFESSIONAL EXPERIENCE

Dates	From 2019
Job or position held	Associate Professor of Occupational Medicine (MED/44)
Main activities and responsibilities	Research, teaching and assistance
Name and address of employer work	University of Campania "Luigi Vanvitelli" Department of Experimental Medicine - via De Crecchio 7, 80138 Naples
Type of business or industry	University
Dates	2009 to 2018
Job or position held	<i>Confirmed researcher in occupational medicine</i>
Main activities and responsibilities	Research, teaching and assistance
Name and address of employer work	University of Campania "Luigi Vanvitelli" Department of Experimental Medicine - via De Crecchio 7, 80138 Naples
Type of business or industry	University
Dates	2006 to 2009
Job or position held	<i>Researcher in Occupational Medicine</i>
Main activities and responsibilities	Research, teaching and assistance
Name and address of employer work	University of Campania "Luigi Vanvitelli" Department of Experimental Medicine - via De Crecchio 7, 80138 Naples
Type of business or industry	University

EDUCATION ACTIVITIES

Dates	From 2023
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Medicine at the Graduate School of Microbiology and Virology</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Dates	From 2023
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Medicine at the Graduate School of Respiratory Diseases</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Dates	From 2021 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Medicine at the Graduate School of Clinical Biochemistry Clinical Pathology</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Dates	From 2020 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Medicine at the Graduate School of Nervous System Diseases.</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Dates	2019 to date
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine at the Graduate School of Hygiene and Preventive Medicine</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Dates	2019 to date
Job or position held	<i>Lecturer in Occupational Medicine and Course Coordinator.</i>
Main activities and responsibilities	<i>Teaching Occupational Disease Science to the Bachelor of Science in Prevention Technicians degree program.</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Type of business or industry	University
Dates	From 2018 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Epidemiology to the Bachelor of Science in Prevention Technicians degree program.</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly the Second University of Naples)
Type of business or industry	University
Dates	From 2018 to the present
Job or position held	<i>Lecturer in Occupational Medicine and Course Coordinator.</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine in the Bachelor of Dental Hygiene program</i>
Name and address of employer.	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta

(formerly the Second University of Naples)

Type of business or industry	University
Dates	From 2017 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine in the Integrated Course in Occupational and Forensic Medicine at the</i> Master's Degree Course in Medicine and Surgery - Caserta Campus
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta (formerly Second University of Naples)
Type of business or industry	University
Dates	From 2017 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	Lecturer for Pre-professional Training Activities Year VI, Occupational and Legal Medicine module. Master's Degree Course in Medicine and Surgery - Caserta Campus
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2017 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	Lecturer for Pre-professional Training Activities Year VI, Occupational and Legal Medicine module. Master's Degree Course in Medicine and Surgery - Naples Campus
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2017 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	Teaching Legal and Occupational medicine at the Master of Science in Medicine degree program in English - Naples campus
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2016 to 2017
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	Elective Teaching Activity: <i>Health Surveillance in the Workplace</i> at the Master of Medicine Degree Course - Naples Campus
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2015 to 2016
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Specific training course for workers and students equated to workers using surgical and anesthesiological, clinical and laboratory workplaces at the</i> Master's Degree Course in Medicine and Surgery - Naples Pole
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2012 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>

Main activities and responsibilities	<i>Teaching Occupational Medicine at the Bachelor of Science Degree Course in Speech Therapy</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2012 to 2014
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine in the Integrated Course in Public Medicine at the Master's Degree Course in Medicine - Caserta Campus</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2012
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine at the University Master's Degree Course in "Higher Education and Qualification, qualifying for the practice of Medical Officer"</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2011 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine at the Master's Degree Course in Medicine and Surgery - Naples Pole</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2011 to 2013
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine at the Bachelor of Science Degree Program Physiotherapy</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2008 to 2011
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Medicine to the Bachelor of Science in Biotechnology degree program.</i>
Name and address of employer work	Faculty of Pharmaceutical Sciences for Environment and Health University of Campania "Luigi Vanvitelli" - Via Vivaldi, 43 Caserta
Type of business or industry	University
Dates	From 2007 to the present
Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine at the Graduate School of Occupational Medicine.</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2007 to the present

Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching of Occupational Medicine in the Common Trunk in the Public Health Sector (Occupational Medicine, Forensic Medicine and Hygiene)</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University

Dates **2007 to 2014**

Job or position held	<i>Lecturer in Occupational Medicine</i>
Main activities and responsibilities	<i>Teaching Occupational Medicine at the School of Legal Medicine Residency.</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University

CLINICAL CARE ACTIVITIES

Dates **March 7, 2018 to present**

Job or position held	<i>Head of the Simple Operational Unit (OU) of Occupational Medicine.</i>
Name and address of employer work	AOU University of Campania "Luigi Vanvitelli" Piazza Luigi Miraglia, 2 - 80138 Naples
Type of business or industry	Hospital Care

Dates **January 2018 to present**

Dates **December 21, 2017 to present**

Job or position held	<i>Assignment of care structure: Simple Operational Unit (OU) of Occupational Medicine</i>
Name and address of employer work	AOU University of Campania "Luigi Vanvitelli" Piazza Luigi Miraglia, 2 - 80138 Naples
Type of business or industry	Hospital Care

Dates **2007 to 2017**

Job or position held	<i>Level I medical director</i>
Main activities and responsibilities	Workplace Chemical Risk Prevention Service
Name and address of employer work	AOU University of Campania "Luigi Vanvitelli" Piazza Luigi Miraglia, 2 - 80138 Naples
Type of business or industry	Hospital Care

OTHER ASSIGNMENTS AND ACTIVITIES.

Dates **From 2016 to the present**

Job or position held	<i>Secretary of the Campania regional section SIML - Italian Society of Occupational Medicine (formerly SIMLII)</i>
----------------------	---

Job or position held	<i>Member of SIML working group for drafting Guidelines and scientific, educational and research activities on Occupational Tuberculosis</i>
----------------------	---

Dates **2015 to 2018**

Job or position held	<i>Ordinary member of the International Commission on Occupational Health (ICOH)</i>
----------------------	--

Dates **From 2015 to the present**

Job or position held	<i>Member of the Board of the Graduate School of Hygiene and Preventive Medicine.</i>
----------------------	---

Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2015 to the present
Job or position held	<i>Member of the Board of Lecturers within the doctoral program in "Environment, Design and Innovation"</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2015
Job or position held	Visiting Professor
Name and address of employer work	UFMG - Univerisidade Federal de Minas Gerais Belo Horizonte, MG, Brazil
Type of business or industry	University
Dates	From 2014 to the present
Job or position held	Dean's Delegate for Security for activities related to the University Departments constituting the School of Medical Area and Contact Person at CRUI
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2013 to 2014
Job or position held	<i>Member of the Board of Lecturers within the doctoral program in "Environment, Design and Innovation"</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2012
Job or position held	<i>Member of the Scientific Council of the University Master's Degree Course in "High Education and Qualification, qualifying for the practice of Competent Doctor" a.y. 2011/2012</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	2011 to 2015
Job or position held	<i>Councilor of the Campania regional section of SIML</i>
Dates	2011 to 2012
Job or position held	<i>Member of the Board of Lecturers within the doctoral program "Occupational Medicine, Science and Technologies for the Environment."</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	November 2011 to 2018
Job or position held	Medical Officer Coordinator for University Health Surveillance.
Name and address of employer work	Department of Experimental Medicine Section of Hygiene, Occupational Medicine and Forensic Medicine University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2008 to 2010
Job or position held	<i>Member of the Board of Lecturers within the doctoral program "Risk Analysis, Industrial Safety and Prevention in the Workplace."</i>
Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Type of business or industry	University
Dates	From 2007 to the present
Job or position held	<i>Council member for the Graduate School of Occupational Medicine.</i>

Name and address of employer work	University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta
Dates	October 2006 to November 2011
Job or position held	<i>Athenaeum Medical Officer for Health Surveillance.</i>
Name and address of employer work	<i>Department of Experimental Medicine Section of Hygiene, Occupational Medicine and Forensic Medicine University of Campania "Luigi Vanvitelli" - Via Abramo Lincoln, 5 Caserta</i>
Type of business or industry	University

RESEARCH PROJECTS

Dates	From 1 December 2023
Type	Agreements for Innvation Project (Funded by MIMIT) - PNRR
Title	<i>4SAFE System - Wearable device for occupational safety</i>
Dates	From 30 November 2023
Type	NextGenerationEU Project - PRIN 2022 - PNRR
Title	<i>Neural wearable device for augmented interconnection in manufacturing safety</i>
Dates	From May 4, 2021
Type	Prevention project Inail-Direzione Regionale Campania (funded: public notice for the submission of project proposals aimed at the development of preventive action in the regional context in the field of health and safety at work, launched by INAIL-Direzione Regionale Campania - year 2020).
Title	<i>Questionnaire and informative reference values of urinary cadmium in the general population of Campania as tools for interpretation of monitoring data</i>
Role	Working Group Member. Inail-Regional Directorate Campania
Dates	April 7, 2021 - 2022
Type	Prevention project Inail-Direzione Regionale Campania (funded: public notice for the submission of project proposals aimed at the development of preventive action in the regional context in the field of health and safety at work, launched by INAIL-Direzione Regionale Campania - year 2020).
Title	<i>Occupational hazards in analytical and research laboratories: worker training and information</i>
Role	Working group member Inail-Regional Directorate Campania
Dates	From 2019
Type	Intratenary Funded Research Project
Title	<i>VALERE: SCISSOR - Cross reality systems for the Implementation of Operating Room Worker Safety.</i>
Role	Principal Investigator
Dates	June 2017 to present
Type	Research Project
Title	<i>Evaluation of the prevalence of "borderline" cases of Latent Tubercular Infection in a sample of medical students</i>
Role	Research group member
Dates	2017
Type	Consulting contract between E-distribuzione S.p.A. and the University of Campania "Luigi Vanvitelli" - Department of Experimental Medicine, Section of Occupational Medicine
Title	<i>Verification on the electronic 2.0 Open Meter.</i>
Role	Scientific Head of the Occupational Medicine Section of the Department of Experimental Medicine.
Dates	January to September 2016
Type	PON03PE_00060_3

Title *Development and testing of molecules with nutraceutical and cosmeceutical action.*
 Role Subunit manager
Dates 2015 to 2018
 Type International Research Project
 Title *Prevalence and Prevention of Multi Resistant Staphylococcus Aureus (MRSA) in HCWs, funded by the Institution for Statutory Accident Insurance and Prevention in Healthcare and Welfare Services.*
 Role Participant
Dates 2015 to 2018
 Type International Research Project
 Title *Prevalence and Prevention of Multi Resistant Staphylococcus Aureus (MRSA) in HCWs. Funded by the Institution for Statutory Accident Insurance and Prevention in Healthcare and Welfare Services.*
 Role Participant
Dates 2015 to 2016
 Type INAIL Research Project
 Title *Prevention of P.M. from a gender perspective: Occupational exposure to asbestos, interfering Endocrine and ovarian cancer.*
 Role Responsible
Dates 2014 to 2017
 Type Research Project
 Title *Study of solvent exposure in the rubber and plastics industry through environmental and biological monitoring.*
 Role Participant
Dates October 2014
 Type PON01_01585
 Title *Innovative products for monitoring and decontamination/detoxification of nerve agents and explosives in the environment and/or for emergency management.-Achievement goal: Use of enzymatic systems in monitoring environmental pollutants.*
 Role Participant
Dates 2014
 Type International Research Project
 Title *HCV infection in HCWs. Funded by the Institution for Statutory Accident Insurance and Prevention in Healthcare and Welfare Services.*
 Role Participant
Dates October 2011 to December 2015 (excluding August 2012, 2013, 2014 and October 2014)
 Type PON01_01226
 Title *From nutraceutical to drug for integrated strategies "NUTRAFAST"-Achievement goal: Strategies Therapeutics in the prevention of pollutant-related diseases.*
 Role Participant
Dates From 2010 to 2013
 Type INAIL Research Project
 Title *Protecting the health of working women: identification of biomarkers of exposure and effect for the purpose of chemical agent infertility risk assessment.*
 Role Participant
Dates June 2010 to April 2011 (excluding September 2010)
 Type Research Project
 Title *BioStarNet Project - (Biotechnological Startup Network) - Ministry of Productive Activities DM 27/01/2005 - for the promotion and technical assistance to the establishment and development of enterprises*

operating in the field of biotechnology. Achievement Objective: Contribution in the prediction and prevention of risks in activities productive-innovative using biotechnology

Role Participant

EDUCATION AND TRAINING

Dates 2017

Title of qualification awarded *Level I master's degree in Dietetics Applied to Lifestyle: from Sedentariness to Sports Activity*

Name and type of organization providing education and training University of Campania "Luigi Vanvitelli" - *Via Abramo Lincoln, 5 Caserta*

Dates 2005

Title of qualification awarded *Enrollment in the National List of Physicians in Charge*

Dates 2004

Title of qualification awarded *Specialization in Occupational Medicine* with a grade of 50/50 cum laude

Principal subjects/occupational skills possessed Clinical, diagnostic, and therapeutic skills.
Thesis: "Metalloproteases: new biomarkers in occupational metal exposure."

Name and type of organization providing education and training University of Campania "Luigi Vanvitelli" - *Via Abramo Lincoln, 5 Caserta*
(formerly Second University of Naples)

Dates 2001

Title of qualification awarded *Professional Membership*

Name and type of organization providing education and training Order of Physicians, Surgeons and Dentists of Naples

Dates 2000

Title of qualification awarded Doctor of Medicine degree with a grade of 110/110 cum laude, plaudits, dignity of press and special mention

Principal subjects/occupational skills possessed *Experimental Graduate Thesis in Occupational Medicine* - "Molecular dosimetry in occupational exposure to styrene"

Name and type of organization providing education and training University of Campania "Luigi Vanvitelli" - *Via Abramo Lincoln, 5 Caserta*
(formerly Second University of Naples)

LANGUAGE SKILLS AND COMPETENCIES

Mother tongue **Italian**

English Excellent knowledge of oral and written English.

ACTIVITIES IN EDITORIAL.

Member of open access editorial board Journal of Austin Occupational Medicine (2016)

BOARDS OF SCIENTIFIC JOURNALS

RESEARCH ACTIVITIES

Dr. Monica Lamberti's research activity is documented by numerous printed publications in national and

international journals. The main areas of research have been:

1. Prevalence studies of latent tuberculosis in equated with health care workers.
2. Studies on interactions of occupational chemicals (metals, solvents) and cellular and in vitro models.
3. Studies on new biomarkers of pleural mesothelioma.
4. Studies on occupational allergopathies in workers and equivalents in the health sector.
5. In vitro cardiotoxicity studies by chemotherapeutics for prevention of organic damage in exposed workers.
6. Studies of vaccine immunoprotection data in samples of workers exposed to biohazard agents.
7. Validation studies for the use of innovative diagnostic techniques in the health protocol of workers subjected to manual handling of loads/patients with cardiovascular diseases.

SPEAKER OR PARTICIPANT IN CONTRIBUTIONS TO SCIENTIFIC CONFERENCES

1. Observational study on risk perception in the operating room A.R. Corvino, S. Ferrara, E.M. Garzillo, M.G.L. Monaco, A. Greco, S. Gerbino, F. Caputo, R. Macchiaroli, N. Miraglia, M. Lamberti SIML National Congress 2021
2. Multicenter study in network of Italian university centers on the prevalence of Latent Tubercular Infection (ITBL) in health students and physicians in specialty training M. Lamberti, M. Corradi, G. Dini, V. Lodi, V. Marchese, A. Matteelli, A. Montecucco, V. Nicosia, G. Pagliaro, D. Placidi, A. Rahmani, G. Sotgiu, M.G. Verso, P. Durando SIML National Congress 2021
3. Neuromediated reflex syncope: proposal of a management model for the competent physician M. De Rosa, V. Russo, F. Paesano, S. Ferrara, A.R. La Rezza, E.M. Garzillo, M. Lamberti SIML National Congress 2019
4. Health promotion about the risks of smoking: a study conducted on students, physicians in specialist training and PhD students A. Giardiello, M. Langella, I. Confuorto, A.R. Corvino, F. Cantore, M.R. Muio, M. Lamberti SIML2019 National Congress.
5. Prevalence study of borderline cases of latent tubercular infection in a group of students of the health sector of the Campania Luigi Vanvitelli studies M. Lamberti, A.R. Corvino, E.M. Garzillo, F. Napolitano, E. Grimaldi, N. Miraglia, P. Arena National Congress SIML2019
6. HBV-related biohazard management model in health care workers: focus on the reality of A.O.U. I Policlinico "Università degli Studi della Campania Luigi Vanvitelli" A. Giardiello, I. Confuorto, F. Paesano, S. Ferrara, M. De Rosa, A. Arnese, M. Lamberti Siml National Congress 2018
7. Study of biological injuries in health care workers in four hospitals in Campania N. Miraglia, R. Antonello, E.M. Garzillo, A. La Rezza, E. Santoro, M.C. Stella, M. Lamberti, L. Borea Siml National Congress 2018
8. Occupational risk: Hepatitis - Tuberculosis. In: National Conference HOSPITAL SAFE XVI Edition, Naples 21/22-11- 2017, as a speaker from 21-11-2017 to 21-11-2017.
9. Stakeholder engagement for effective protection of the technopathic worker. In: Occupational diseases in the province of Caserta: reflections and perspectives. Caserta, November 7, 2017 - Roundtable discussion.
10. Tuberculosis in different occupational settings: health care workers and equated subjects. In: 80th SIMLII National Congress. Padua, September 20-22, 2017, as a speaker from 09-22-2017 to 09-22-2017.
11. Occupational airborne risk: Mycobacterium tuberculosis. In: Updates on Biological Risk in Healthcare The New Challenges and Opportunities, Naples 02-05-2017, as a speaker from 02-05-2017 to 02-05-2017.
12. Chemical Risk Assessment: Principles and Applications. Naples, 20-02-2017, serving as moderator.
13. Radiation damages. In: Imaging Diagnostics in Social Security Forensics - Campobasso 20-05-2017, as a speaker from 20-05-2017 to 20-05-2017.
14. The Biohazard from Hepatitis and TB. OSPEDALE SICURO National Conference, Naples 2-3, 05, 2016, as a speaker from 02-05-2016 to 03-05-2016.
15. Surveillance and prevention of tuberculosis in healthcare: the Italian study network. In: XII Ligurian Days of Occupational Medicine, Genoa 11-12,4,2016, as a speaker. from 11-04-2016 to 12-04-2016
16. Health Session. National Congress Italian Society of Occupational Medicine and Industrial Hygiene SIMLII. Rome, as moderator. from 21-10-2016 to 23-10-2016
17. Asbestos: public health and occupational health. INAIL-ASL experiences, Naples 14/15-12 2015, as a speaker. from 14-12- 2015 to 15-12-2015
18. "V day of cardiology prevention and rehabilitation ", 14,10,2015 Naples, as a member of the scientific direction of the congress. from 14-10-2015 to 14-10-2015

19. 1st NATIONAL CONGRESS of the Italian Society of Nanotoxicology, Naples 27/28,06,2014, participating in the organizing committee and discussant from 27-06-2014 to 28-06-2014
20. Workers of the Sea scientific secretariat from 09-04-2014 to 11-04-2014
21. Work-related outcomes after myocardial infarction: implications of cardiac rehabilitation and occupational medicine. 74th NATIONAL CONGRESS of the Italian Society of Cardiology, Rome, 14-16,12,2013, as a speaker from 14-12-2013 to 16-12-2013
22. The management of reintegration into work for the patient with cardiovascular disease. In: III DAY OF CARDIOLOGICAL PREVENTION AND REHABILITATION, Naples 6,06, 2013, as a speaker. from 06-06-2013 to 06-06-2013
23. TB emergency: prevention strategies for the occupational physician. In: Risks in the health care environment, Salerno 5,12,2012, as a speaker from 05-12-2012 to 05-12-2012
24. Four-month training course for health professionals and consultants of the parties, Naples 15,6,2012 as a speaker. from 16-11-2011 to 19-11-2011
25. In vitro evaluation of cardiotoxic effects by 5-fluorouracil for prevention of cardiovascular damage in occupationally exposed health care workers. In: CONGRESSUAL ACTS, ITALIAN JOURNAL OF WORKPLACE MEDICINE AND ERGONOMICS, vol. 33:3, p. 298-302, ISSN: 1592-7830, 2011, as a speaker. from 16-11-2011 to 19-11-2011
26. Limitations of ergometric testing in the formulation of fitness judgment in female workers subjected to manual handling of loads. In: National Congress Italian Society of Occupational Medicine and Industrial Hygiene SIMLII. CONGRESS PROCEEDINGS. ITALIAN JOURNAL OF WORKPLACE MEDICINE AND ERGONOMICS, vol. 32, p. 96-97, ISSN: 1592-7830, 2010, as speaker. from 01-12-2010 to 04-12-2010
27. The contribution of occupational medicine to the training and updating of general practitioners, Naples 18-11-2010, scientific secretariat direction. from 18-11-2010 to 18-11-2010
28. Use of new imaging techniques for judgment making in workers engaged in manual handling of loads and undergoing coronary stenting. In: CONGRESS ACTS. ITALIAN JOURNAL OF WORKPLACE MEDICINE AND ERGONOMICS, vol. XXXI suppl.2 ALL.N.3, p. 130-131, ISSN: 1592-7830, 2009, as speaker. from 25-11-2009 to 28-11-2009
29. 'Single coronary artery originating from the right sinus of Valsalva and fitness for work. Description of a clinical case.' In: The Search Cardiology in Campania - proceedings of the 17th regional congress of ANMCO CAMPANIA, Naples, 19,11, 2009, as speaker. from 19-11-2009 to 19-11-2009
30. Significance of left bundle branch block in cardiovascular assessment of workers subjected to manual handling of loads: Multilayer computed tomography study." In: La Ricerca Cardiologica in Campania - proceedings of the XVII regional congress of ANMCO CAMPANIA, Naples, 19,11, 2009, as speaker. From 19-11-2009 to 19-11-2009
31. Use of new imaging techniques in cardiovascular risk of workers subjected to manual handling of loads." In: CONGRESS ACTS. ITALIAN JOURNAL OF WORKPLACE MEDICINE AND ERGONOMICS, vol. 30 (3) suppl. 2, p. 140-141, ISSN: 1592-7830, 2008, as speaker. from 17-11-2008 to 20-11-2008
32. Metalloproteases: new biomarkers of effect in occupational exposure to toxic agents. In: CONGRESS ACTS. ITALIAN JOURNAL OF WORKPLACE MEDICINE AND ERGONOMICS, vol. 29(3), p. 529-531, ISSN: 1592-7830, 2007, as speaker. from 12-12-2007 to 15-12-2007
33. Role of the qualified expert and operational optimization experiences. In: Optimization of health protection of workers - ARP Congress. Rome, 13,10,1999, as a speaker. from 13-10-1999 to 13-10-1999
