

Name: **Concetta Rafaniello**

Place and date of birth:

Avellino (AV), 24th of September 1980

## **EDUCATION**

Oct 2011: PhD in Pharmacological Sciences and Experimental and Clinical Medicine at University of Campania "L. Vanvitelli", Italy.

Jul 2007: Postgraduate Diploma in Sciences and techniques of medicinal plants with mark 50/50 and honours University of Naples "Federico II", Italy.

Nov 2004: Degree in Pharmaceutical Chemistry and Technology at University of Naples "Federico II", Italy

## **RESEARCH/ACADEMIC ACTIVITY**

December 2021-present: Assistant Professor (RTD-B) of Applied Medical Technical Sciences at the Department of Experimental medicine of University of Campania "L. Vanvitelli".

October 2014-October 2019: Research fellow (RTD-A) of Pharmacology at the Department of Experimental medicine of University of Campania "L. Vanvitelli".

Oct 2008- Oct 2011: PhD student in Pharmacological Sciences and Experimental and Clinical Medicine at at University of Campania "L. Vanvitelli", Italy.

## **TEACHING ACTIVITY**

2023-2024: Professor of Methodology of the Health Care Assistant Profession for Health Prevention and Promotion; Professor of Work equipment's safety and of Environmental monitoring applications, University of Campania "L. Vanvitelli".

2022-2023: Professor of Work equipment's safety and of Environmental monitoring applications, University of Campania "L. Vanvitelli".

2021-2022: Professor of environmental monitoring applications, University of Campania "L. Vanvitelli".

2019-2020: Professor of Pharmacology, School of Medicine, University of Campania "L. Vanvitelli".

2018-2020: Professor of Pharmacology, School of Medicine, University of Campania "L. Vanvitelli".

2014-2020: Professor of Pharmacology, School of Nursing and Midwifery Sciences, University of Campania "L. Vanvitelli".

2018-2019: Professor of Clinical pharmacology and toxicology, School of Pharmacy, University of Campania "L. Vanvitelli".

2016-2020: Professor of Pharmacology, School of Nursing, University of Campania "L. Vanvitelli".

2016-2019: Professor of Pharmacological Biotechnologies, Course of "Informatore Medico Scientifico", University of Campania "L. Vanvitelli".

2015-2016: Professor of Pharmacology, School of Psychiatric Rehabilitation Technique, University of Campania "L. Vanvitelli".

2008-present: supervisor and co-tutor of undergraduate students (laurea triennale), Master's students (laurea specialistica, laurea a ciclo unico) and PhD students, University of Campania "L. Vanvitelli".

## **RESEARCH FUNDING**

Università della Campania "L. Vanvitelli", University funding "VALERE" – 2018-Role:PI

Italian Medicine Agency, National Project "Corso di formazione e informazione sulla prevenibilità delle reazioni avverse a farmaco in ambito territorial" –2018- Role PI

Italian Ministry of Education, University and Research (MIUR)-Research Projects of National Relevance (PRIN) 2017- Role Associate Investigator  
FFABR – Annual individual funding for basic research – MIUR 2017  
Italian Ministry of Education, University and Research (MIUR)-Research Projects of National Relevance (PRIN) 2022- Role Principal Investigator

### **BIBLIOMETRICS INDICATORS**

Author of 100 scientific papers indexed in Scopus and/or WOS;  
H-index: 26 (source: Scopus and WOS);  
Number of citation: 2,212 (Source Scopus and WOS; last update 26/03/24).  
SCOPUS ID: 39561458500  
ORCID ID: 0000-0002-7107-4280

### **REVIEWER ACTIVITY**

Reviewer for the following peer reviewed journals:  
Pharmaceutical – MDPI; Vaccines– MDPI;.

### **AFFILIATIONS**

2011-present: Member of the Società Italiana di Farmacologia (SIF).  
2010-present: Signal Detection Working Group (drugs and vaccines)- Italian medicine Agency  
2011-present: European network of Centers for Pharmacoepidemiology and Pharmacovigilance (ENCEPP)  
2020-present: Member of European Association for Clinical Pharmacology

### **ABILITATION**

From October 2022: National Scientific Abilitation (ASN, MIUR) for Full Professor Position (06/N1).  
From April 2018: National Scientific Abilitation (ASN, MIUR) for Associate Professor Position (05/G1);  
From October 2018: National Scientific Abilitation (ASN, MIUR) for Associate Professor Position (06/N1).

### **ORAL PRESENTATION**

- September 2023 Congresso "2° Life Sciences Mediterranean Meeting" Invited speaker "Antivirals use in pandemic era: what have we learnt?"
- November 2022: 41° CONGRESSO NAZIONALE della SOCIETÀ ITALIANA di FARMACOLOGIA; SYMPOSIUM How to prevent and to treat COVID-19 in pediatrics. Invited speaker " Pediatric vaccine surveillance: Italian perspective" Rome
- September 2022: "Nano Innovation - Special Event Young Innovation The State of Research communicated by Young Researchers" Invited speaker "Theranostic strategies: new frontiers in precision medicine" Rome.
- September 2021: 19th International Congress of Therapeutic Drug Monitoring & Clinical Toxicology "Nobody is Average" Invited speaker "Tisagenlecleucel in Children and Young Adults: Reverse translational research by using real-world safety data" Rome.
- March 2021: Symposium: "(R)evolution of cancer therapy: are we ready to identify and manage the new safety features?" (Invited speaker). "Tisagenlecleucel in Children and Young Adults: Reverse translational research by using real-world safety data". 40° Congresso Nazionale della Società Italiana di Farmacologia.

- November 2019: Symposium: The safety profile of psychotropic drugs in paediatrics” (Invited speaker). “Pharmacogenomics in antipsychotic drugs” 39° Congresso Nazionale della Società Italiana di Farmacologia. Firenze, Italia.
- November 2019: Chairperson Poster Session “Farmacovigilanza”. 39° Congresso Nazionale della Società Italiana di Farmacologia. Firenze, Italia.
- December 2019: Invited Speaker “La gestione del Paziente Oncologico in cura domiciliare il percorso diagnostico terapeutico assistenziale in Regione Campania”, OPT Consulenza di Direzione S.r.l., A.O.R.N. A. Cardarelli » Centro di Biotecnologie .
- Novembre 2017: International Meeting “Eu2P: European training programme in pharmacovigilance and pharmacoepidemiology” Invited speaker “Risk minimization measures”- University of Bordeaux.
- October 2017: international Symposium: “The future of pharmacovigilance and the role of risk communication” Invited Speaker “How to measure the efficacy and effectiveness of some pharmacovigilance processes with the aim of improving them”. Rimini –Italia.
- Jun 2017: Round Table: Modelli regionali di farmacovigilanza. Invited Speaker- Local Health Unit- Caserta-italia.
- Jun 2017: invited Speaker, Congress “Farmacovigilanza e Sicurezza di Farmaci e Vaccini” Società Italiana di Farmacologia SIF- Napoli Italia
- September 2016: invited Speaker – Workshop Pharmacovigilance in the 21st century: is it time for a new Erice Declaration?” - International School of Pharmacology presso l’Ettore Majorana Foundation and Centre for Scientific Culture. Erice-Italia.
- May 2014: Invited Speaker- Summer school of clinical pharmacology II ed. “Instruction for filling the CIOMS form”. Stresa-Italia.
- October 2014: I Convegno Monotematico SIF “La farmacologia clinica tra impegno nella ricerca e ruolo nel Servizio Sanitario Nazionale”, organizzato dalla Società Italiana di Farmacologia (SIF), dalla Seconda Università degli Studi di Napoli (SUN) e dall’Università degli Studi di Milano. “Atomoxetine in the treatment of attention deficit hyperactivity disorder and suicidal ideation”. Napoli – Italia
- October 2013: 36° Congresso Nazionale della Società Italiana di Farmacologia (SIF) “il ruolo della Ricerca farmacologica per la crescita e la salute in Italia”. “Predictors of mortality in atypical antipsychotic-treated community-dwelling elderly patients with behavioural and psychological symptoms of dementia: a prospective population-based cohort study from Italy”. Torino-Italia
- September 2011: 35° Congresso Nazionale della Società Italiana di Farmacologia (SIF). “Safety and tolerability of ADHD medications: an intensive monitoring program in the Campania region”. Bologna - Italia

Naples, 26/03/2024
