

**Dr. Giuseppe Bellastella born in Naples on 16/07/1979**

**Citizenship: Italian**

**Address: 80127 Napoli, Via Belvedere 190**

**Mobile Phone: +39 338 8238115**

**e-mail: giuseppe.bellastella@unina2.it**

#### **EDUCATION**

- 1997-2003      Degree in Medicine, Second University of Naples (110/110 cum laude)  
2003-2008      Post-graduate qualification in Endocrinology, Second University of Naples (50/50 cum laude)  
2008-2011      PhD student in Metabolism and Aging, Second University of Naples  
14/12/2011      PhD awarded

#### **WORKING EXPERIENCE**

- 2001-2002      Progetto Erasmus, Stage at Porto University, Portugal, (Istituto di Scienze Biomediche Abel Salazar). He attended the Endocrinology Unit directed by Prof. Helena Ramos  
2003-2008      Internship in Endocrinology at the Second University of Naples  
2007-2008      Stage at Westfälische Wilhelms University of Münster, Germany, attending the Reproduction Medicine and Andrology Department (Head: Prof. S. Schlatt). Clinical and research activity about male and female fertility, hypogonadism, seminal alterations and testicular diseases.  
2008-2013      Clinical and Research activity, Department of Medical, Surgical, Neurological, Metabolic and Aging Sciences, Endocrinology and Metabolic Disease Unit, Second University of Napoli  
2013-2018      Assistant Professor of Endocrinology, Department of Medical, Surgical, Neurological, Metabolic and Aging Sciences, Endocrinology and Metabolic Diseases Unit, Second University of Naples

**Current Employment:** Associate Professor of Endocrinology, Department of Advanced Medical and Surgical Sciences, University of Campania "L. Vanvitelli"

#### **MEMBERSHIP**

Italian Endocrine Society, Italian Andrology and Sexual Medicine Society, Endocrinologists medical Association, European Society of Sexual Medicine, Italian Association of Diabetologists

#### **EDITORIAL ACTIVITY**

Reviewer for Endocrine, member of Editorial Board of BMC endocrine disorders (Diabetes and Metabolism section); Member of Editorial Board of periodical Newsletter of Italian Andrology and Sexual Medicine Society; member of the committee for the clinical and scientific update of Italian Endocrine Society

## AWARDS

**Marrama 2011** of Italian Endocrine Society (under 32), for the scientific activity in the field of endocrinology

**Best poster**, Giornate scientifiche di Ateneo 2012

*“Livelli circolanti di Progenitori delle cellule endoteliali in soggetti affetti da acromegalia: correlazione con l’IGF1 e ruolo protettivo sul danno vascolare periferico”*

**Best poster , Giornate Endocrinologiche Pisane, GEP congress 2008**

*“Novel homozygous mutation in the prokineticin receptor-2 gene presenting as reversible Kallmann syndrome”*

## COLLABORATIONS and STUDY GROUPS

- Idiopathic Central Hypogonadism Study Group of the Italian Societies of Endocrinology and Pediatric Endocrinology and Diabetes.
- Italian Autoimmune Hypophysitis Network Group.
- Collaboration with Prof. F. Tanrıverdi and Prof. F. Kelestimur of Department of Endocrinology, Erciyes University Medical School, Kayseri, Turkey for the study of after traumatic pituitary dysfunction and autoimmunity.
- Collaboration with Dr. T. Cooper (Editor of WHO Laboratory **Manual** for the Examination and Processing of Human Semen) of Munster University, Munster, Germany for the study of sperm characteristics
- Collaboration with Endocrine surgery team of the Second University of Naples for the study of surgical approach to thyroid cancer
- Member of METRO Study Group for the study of management and technology for transition of patients with type 1 diabetes.

## FIELDS OF INTEREST

Endocrine autoimmunity, Sexual dysfunction, Metabolism, Reproduction, Prostate cancer, Hypogonadism, Thyroid.
