

**PERSONAL INFORMATION****Giulia Maria Giordano**

✉ [giuliamaria.giordano@unicampania.it](mailto:giuliamaria.giordano@unicampania.it)

Sex Female | Date of birth 03/11/1988 | Nationality Italian

Enterprise	University	EPR
<input type="checkbox"/> Management Level	<input type="checkbox"/> Full professor	<input type="checkbox"/> Research Director and 1st level Technologist / First Researcher and 2nd level Technologist
<input type="checkbox"/> Mid-Management Level	<input type="checkbox"/> Associate Professor	<input type="checkbox"/> Level III Researcher and Technologist
<input type="checkbox"/> Employee / worker level	<input checked="" type="checkbox"/> Researcher and Technologist of IV, V, VI and VII level / Technical collaborator	<input type="checkbox"/> Researcher and Technologist of IV, V, VI and VII level / Technical collaborator

**WORK EXPERIENCE**

From 2019 to Current

**Researcher in Psychiatry**

University of Campania Luigi Vanvitelli, Department of Mental and Physical Health and Preventive Medicine, Largo Madonna delle Grazie, 80138, Naples

From 2020 to Current

**Staff Psychiatrist**

University Hospital, University of Campania "Luigi Vanvitelli", Department of Mental Health, Largo Madonna delle Grazie, 80138, Naples

From 2018 to 2021

**Expert in the field of Psychiatry (MED-25)**

University of Campania Luigi Vanvitelli, Department of Mental and Physical Health and Preventive Medicine, Largo Madonna delle Grazie, 80138, Naples

**EDUCATION AND TRAINING**

From 2017 to 2020

Phd in Clinical and Experimental Medical Sciences (University of Campania "Luigi Vanvitelli, Naples, Italy)

From 2014 to 2018

Specialist in Psychiatry 50/50 cum laude, Dissertation/thesis title: "Electrophysiological and neuroimaging correlates of Avolition-apathy in subjects with schizophrenia" (University of Campania "Luigi Vanvitelli, Naples, Italy)

From 2013 to 2014

Abilitation to medical practice University of Bari "Aldo Moro", Bari (Italy)

From 2007 to 2013

Degree in Medicine and Surgery 110/110 cum laude, Dissertation/thesis title: "Genetic Variation in Arrb2 is Associated with Barrestin2 Expression and Striatal Activity during Working Memory" (University of Bari "Aldo Moro, Bari, Italy)

From 2002 to 2010

Graduate in transverse flute (Conservatory Niccolò Piccinni, Bari, Italy)

**PERSONAL SKILLS**

Mother tongue(s)

Italian

Other language(s)

English, Excellent level in reading, writing and speaking

Job-related skills

- Excellent communication and organizational skills, as demonstrated by the supervision of the research activities of the Neurophysiology laboratory;
- Excellent experience in clinical and research field of psychotic disorders;
- Excellent experience in brain imaging and neuropsychological assessments of subjects with psychoses.

Project Management skills

- Local coordinator, International Clinical Trial "A Phase 2, 12 week, Randomized, Double-

Blind, Placebo-Controlled, Parallel Study to Evaluate Efficacy, Safety, Tolerability, and Pharmacokinetics of 3 Dose levels of TAK-831 in Adjunctive Treatment of Adult Subjects with Negative Symptoms of Schizophrenia", 2017;

- Local coordinator (blinded team), Clinical Trial "A Double-blind, Randomized, Active controlled, Parallel-group Study of Paliperidone Palmitate 6-Month Formulation", 2018;
- Co-principal investigator of the study "Innovative cellular models for primary negative symptoms in schizophrenia", 2022

## ADDITIONAL INFORMATION

Projects	<ul style="list-style-type: none"><li>- 2018. Participant in the project "Factors influencing real-life functioning of people with a diagnosis of schizophrenia: a four-year follow-up multicenter study" co-funded by the Italian Ministry of Education (PRIN);</li><li>- 2019. Participant in the project "Single-arm, Open-label Extension to a Double-blind, Randomized, Active-controlled, Parallel-group Study of Paliperidone Palmitate 6-Month Formulation";</li><li>- 2019. Participant in the project "Interrelationships among inflammation, physical symptoms, mental symptoms and quality of life in subjects with chronic inflammatory physical diseases"</li><li>- 2020. Participant in the project "Prevalence of the 2018 diagnostic Criteria of Apathy in Schizophrenia patients and its relationship with negative symptoms: a European Study (CASE)";</li><li>- 2021. Participant in the project "Patterns, correlates, interrelationships and evolution of psychopathology and cognitive impairment after recovery from symptomatic COVID-19 infection" co-funded by the Italian Ministry of Education (PRIN);</li><li>- 2021. Participant in the project "Augmentation with Cannabidiol in First Episode Psychosis: a Double- Blind, Randomised Controlled Trial (STEP-ENHANCE)" funded by Wellcome Trust;</li><li>- 2021. Participant in the project "Improving Outcomes in Individuals At Clinical High Risk for Psychosis using Cannabidiol: a Double-Blind, Randomised Controlled Trial (STEP-PROMOTE)"- funded by Wellcome Trust;</li><li>- 2021. Participant in the project "Cannabidiol Augmentation of Clozapine in Treatment Resistant Early Psychosis: a Double Blind Randomised Controlled Trial (STEP-ASSIST)", funded by Wellcome Trust;</li><li>- 2022. Participant in the project "European Long-acting Antipsychotics in Schizophrenia Trial-II (EULAST-II)"</li></ul>
Honours and Awards	<ul style="list-style-type: none"><li>- Poster award "Correlati neurofisiologici dei sintomi negativi della schizofrenia", "XXI Congresso Nazionale della Società Italiana di Psicopatologia"</li><li>- Travel Award" "Functional Connectivity of the Ventral Tegmental Area and Avolition in Schizophrenia: a Resting State Functional MRI Study", "25th Congress of the European Psychiatric Association</li><li>- Participation at the Workshop of European College of Neuropsychopharmacology for 100 junior scientists presenting the abstract "Resting State Functional Connectivity of the Ventral Tegmental Area and Avolition in Subjects with Schizophrenia". 2017</li><li>- Paladini della Salute" award with the paper ""Correlati neurofisiologici dei sintomi negativi in un ampio campione di soggetti affetti da schizofrenia"</li></ul>
Conferences and Seminars	Dr. Giordano has participated as speaker in symposia and oral presentation in several national and international congresses. She had the role of chair and moderator in different national and international symposia
Editorial Activities	<ul style="list-style-type: none"><li>- Referee activity for Scientific Reports-Nature; Clinical EEG and Neuroscience; BMC Psychiatry; Frontiers Psychiatry (from 2019).</li></ul>
Affiliation with Scientific Societies	<ul style="list-style-type: none"><li>- Member of the Board of Directors of the Section on Psychoneurobiology of the World Psychiatric Association; Member of the Board of Directors of the EEG and Clinical Neuroscience Society; Member of the Board of Directors of the "Società Italiana di Riabilitazione Psicosociale"; Member of the Scientific Committee of the Annual Conference of the 2020 International Conference of the ECNS; Member of the Local Organizer</li></ul>

	Committee of the 5th International Conference of the 2021 International Conference Basic and Clinical Multimodal Imaging (BaCI).
	- Member of the European Psychiatric Association (EPA), EEG and Clinical Neuroscience Society (ECNS), Italian Psychiatric Association (SIP), World Psychiatric Association (WPA), Section on Neuroimaging of the World Psychiatric Association.
Publication Track record	Author of 51 papers in scientific journals (according to Scopus). Scopus H-index: 12. Total number of Scopus citations: 460. Total Impact Factor (IF) (average IF/paper): 9.02. (7 October 2022)
